SPENT LAST WEEK IN OMAHA

A. N. Lineburg of Lineburg & Co., Adopts New System, and Gets Latest in Tailoring.

A. N. Lineburg spent all of last week in the city of Omaha, investigating the latest styles and methods in tailoring in the big shops of that city. While there he bought and has adopted a new system of cutting and fitting, a late and approved system, which will be appreciated no doubt by his many patrons in McCook and vicinity. He also spent some time inspecting the great dry cleaning shops of that city, and comes home better prepared than ever before to give the people here the benefit of the latest results in the popular dry cleaning business.

Mr. Lineburg is now prepared for the spring work in his line with the latest styles and materials.

DEATH CALLS A THIRD TIME.

Thomas Coyle Answers the Summons, the Third Member of the Coyle Family Within Two Weeks.

Thomas Coyle passed away last Saturday morning, after an illness of about two weeks, commencing with pneumonia, but ending in a fatal combination of other maladies. His death makes the third member of the Coyle family to pass away within two weeks, an extraordinary record of fatality, all of them being taken down with pneumonia.

Thomas Coyle was born in Nebraska City, and came here with the family in 1888, where he has since lived.

Services were conducted in St. Patrick's church last Monday morning, Rev. Wm. Patton, O. M. I., celebrant. Interment followed in Calvary cemetery.

"The House of a Thousand Candles." Chicago has a woman dramatic critic who is one of the best known theatrical writers on the American press. This woman Miss Amy Leslie has for a number of years been the critic on the Chicago Daily News and the theatre goers of that city rely strongly upon her criticisms of a new play before purchasing their seats.

In speaking of "The House of a Thousand Candles," the attraction at the Temple Theatre, McCook, on next Thursday, Feb. 23d, Miss Leslie says: The audience at the Garrick liked the play, and there will be many, many audiences that will go wild over it.

"The House of a Thousand Candles" is a dramatization of Meredith Nicholson's famous novel of the same title, and was originally produced at the Daly's Theatre, New York City, where it ran four weeks and was then transferred to The Hackett Theatre where it ran for the balance of the season.

21 Ounces for 44 Cents! 21 ounces of raw cotton is worth 21c. Think of spinning that quantity, then weaving it, dyeing it, cutting it out by a pattern, sewing it up, adding drill pockets, buttons, trimmings, findings—and then think of us retailing the garments (men's good stout 21-oz. overalls) for 44 cents! We do it, and sell the jackets to match for same price. Yes, of course, its cash here. That's why we can do it! The Thompson D. G. Co. One price, plain figures, cash only.

Look for Early Resumption. The recent visit of First Vice President Byram in Lincoln stirs Lincoln headquarters men to the expectation that through passenger service may be resumed at any date, all the trains taken off recently being replaced in service.

Heartfelt Appreciation. We wish to express to our friends our heartfelt appreciation for the sympathy and many kindnesses extended to us during our bereavement. Signed: Mr. and Mrs. Griffin and family. John, Ann and Kate Coyle.

A Slight Fire. Fire in a stack of hay on the premises of William Unger over on 2nd street west, last evening, called out the department. It was soon extinguished, with slight damage or loss.

A Classy Social Affair.

One of the sparkling social affairs of the winter was the "return" dance tendered the young men of the Junior Dancing club by the young ladies who have enjoyed the club's dances during the winter. The dance was held in the Monte Cristo hall, Monday evening, and naturally took on the characteristics of St. Valentine's approach day—hence the hall was cheerfully and appropriately decorated with hearts and other emblems and designs of the day.

Refreshments were served at The Bon Ton, twenty couples enjoying the dainty spread. Heart-shaped sandwiches, ice cream, etc., further carried out the scheme of the season.
