IMPROVING IRRIGATION DITCH.

Two Thousand Dollars Being Expended in Cleaning and Improving the Ditch.

The Tribune is advised that the ed. owners of the McCook Irrigation and Power ditch on the south side are expending \$2,000 this spring in cleaning and otherwise improving the Connell's wall paper room. This ditch is a valuable asset to this vicinity, and its increased use will be a large source of profit.

## Small Fire Last Night.

The Cain building just south of the McCook flour and feed store was practically wrecked by fire last night, between 11 and 12 o'clock. The build ing was unoccupied at the time. The loss will not exceed a few hundred dollars, the building being old and

The woman who stands erect and walks with the full, free ,graceful carriage which bespeaks perfect physical development is usually envied by her women friends. Unnecessarily so, because it is possible for the average woman to overcome any tendency to become stooped shouldered or flat chested, if they will but get about it in the proper manner.

#### Closed Under Attachment.

Friday evening the James Steinmann saloon was closed under attachment proceedings instituted by the Glasner & Barzen Distilling and Importing Co., of Kansas City. The amount owing the company is \$1,-

It is a matter of street rumor that James Woolard and John McManigal are slated to occupy that location during the coming license year, and that Mr. Steinman would not receive a license, which alleged fact may have some bearing on the failure to meet the demands of the wholesalers.

Meanwhile the saloon remains clos-

#### Miss Tully's Recital.

Republicans Nominate a City Ticket A goodly and appreciative hearing was accorded Miss Tully's recital on Tuesday evening, in the high school auditorium. Miss Tully is the teacher sent out by the Nebraska university extension department to teach elocution in connection with the debates now being held under auspices of the state's educational departtment, Mc-Cook being one of the several cites aind towns in which she teaches in the public schools that branch of education and culture.

Her program was popular in scope, rather than heavily dramatic, and be is absolutely necessary for the City to ing rendered in good form, was thorown and operate a municipal water oughly appreciated. Her work is evidently productive of good results here supply is inadequate for fire protection and in connection with declamatory contests and debates in our public school is developing considerable latent talent in that direction.

The three numbers by the high school girls' glee club were received with every evidence of pleasure.
