Stephen Bolles Passes Away

In the death of Stephen Bolles, Sr., at his farm on the Red Willow at Box Elder, Tuesday night, May 2nd, 1911, one of the early settlers and most prominent citizens of Red Willow county is removed from the scene of earthly activities.

Stephen Bolles, Sr., was born in Wisconsin on March 3rd, 1842. He came to Red Willow county in the spring of 1873, settling on his present farm on Red Willow creek, what is now known as Box Elder. He was married to Marilla Vaughn. Three children were born to them, all of them now living, Stephen D. Bolles, Jr., Charles M., and Orlie.

Steve Bolles, as he is familiarly and generally known, came to Red Willow county in the dawn of its history, and has ever since been a zealous and active worker for its development and improvement.

For fifteen years he served Red Willow county as a county commissioner, and the record he made for economy and careful use and control of public funds during his official life will stand the closest inspection and may be pointed to with pride.

Another matter that was a source of satisfaction and pride to Mr. Bolles was the question of the agricultural development of Red Willow county. His work in connection with county and state fairs cannot be duplicated by any living citizen of the county. He was most active and persistent in this matter, and some of the finest exhibits ever made in Lincoln are to be credited to him.

Mr. Bolles was an ardent and zealous Mason, and the great order had his funeral in charge, many members of the order from McCook and other parts of the county were present at his funeral this morning.

The funeral services were held this

morning in the Methodist church at Box Elder, Rev. David Brown pastor preaching the sermon. A large concourse of neighbors and of friends from surrounding country and from McCook and other towns of the county were present and paid their last respects to the memory of a citizen who has left an impress upon the neighborhood and county in which he has so long resided. The Masons were in charge of the services at the cemetery adjacent.

He is survived by his wife and three children, Stephen, Jr., Charles M., and Orlie, and to them goes out the heartfelt sympathy of a host of friends over Red Willow county.

MAY HAVE BASE BALL CLUB.

An Effort at Financing Such a Proposition Now Being Made.

Several persons who are more deeply interested are making an effort to secure funds to finance the organization of a base ball club for McCook. They are meeting with considerable encouragement.

It does seem as though McCook could afford to place in the field a good team for the season of 1911, and we hope they will be able to secure enough of the sinews of war to make such a movement feasible.

To All Concerned.

Owners and drivers of automobiles and motor cycles are hereby notified to in future give close heed to the laws respecting speed and lamps on their machines. The speed limit is ten miles per hour. Lamps are required to be placed on front and rear of machines at night. These laws must be observed.
