

**P. E. Os. Give May Musicales.**

The home of Mrs. G. W. Norris was the scene of a pretty party Monday evening, May 1st, when the P. E. O. society entertained their lady friends with a musicale which had been anticipated as one of the pleasant social events of the P. E. O. year.

The Norris home is admirably adapted to just such an affair. As each P. E. O. was accompanied by a guest, it brought together a congenial company of more than sixty friends and acquaintances.

Bouquets of jonquils and white tulips displayed modestly the colors so dear to each P. E. O.

Mrs. Anna Schobel, president of Chapter X, assisted the hostess in receiving the guests.

The evening's entertainment was in charge of Mrs. Kate Williams and Miss Grace Willetts, who secured the assistance of some friends of the society in making the evening one to be remembered with pleasure by all present.

The first number on the program was a piano solo by Miss Nina Tomlinson, followed by a vocal selection by Mrs. Neal Quick; a James Whitcomb Riley selection by Dorothy Williams; a contralto solo by Mrs. G. L. Burney; an instrumental number, three violins in the hands of Misses Viersen, Genevieve McAdams, and Norris, accompanied by Miss Schwab; a vocal solo by Miss Dougan; then a song by three little maids, Margery Schobel, Marian Norris, and Martha Spess; Marvel Brown's inimitable delineation of the Ruggles' touch of high life; another lovely song by Mrs. Quick, and then a delightful duet was concluded when Mrs. W. B. Mills gave one of her best piano numbers.

Dainty refreshments were served by Mesdames Norris, Meeker and Stewart.

Chapter X welcomed among them again Mrs. J. J. Hadley, nee Flora B. Quick. Out of town guests were Mrs. Neal Quick of Indianola and Mrs. D. Boucher of Denver.

**CAMBRIDGE WON THE BANNER.**

Over One Hundred Rebekahs Were in Attendance.

The annual district meeting of the Rebekah order was held in our city last Friday evening with an attendance of over a hundred members of the order. Arapahoe, Cambridge, Edison, Holbrook, Stratton and Haigler were represented in the meeting.

There was a contest in drill and exemplification of degree work and the Cambridge lodge won and took home with them the handsome \$30 silk banner, given to the team that put on the best floor work.

The meeting is said to have been one of the best ever held in the district.

The next district meeting will be held some time in November with the Holbrook lodge. Exact date will be given later.

The local Rebekahs served a banquet to the visiting members.

**Non-Resident Pupils.**

All non-resident pupils, who expect to attend high school on free tuition certificates next year, should be sure to have their parents make written application to the county superintendent on or before the second Monday in June, next. It doesn't make any difference how much the pupil may be entitled to free high school attendance, he cannot get it, unless this formality of the law is complied with.

Josiah Sullivan and son Charles of McCook, are in town with the model of their famous train-pipe coupling, which they recently patented. It is said to be the greatest safety railroad appliance since the air brake—an automatic air and steam coupler. They are organizing a company to put the appliance onto the market. It certainly looks like a winner. Mr. Sullivan formerly lived on a homestead in Frontier county. His son is a B. & M. brakeman out of McCook and it was he who first designed the coupler.—Cambridge Clarion.
