TWENTY-NINTH YEAR.

McCOOK, RED WILLOW COUNTY, NEBRASKA, THURSDAY EVENING MAY 18, 1911.

NUMBER 51.

TO BEAUTIFY THE FEET

How many buy expensive clothes, And dress extremely neat Unmindful of the one great point. To beautify the feet.

For such a purpose friends believe, There's nothing you can use So neat, so cheap, and so complete, As **VIERSEN & OSBORN'S** shoes.

Ladies' pumps and slippers in Patent and dull leather, Men's Oxfords in all leathers, And a large assortment of Children's.

VIERSEN & OSBORN
CORNER MAIN AND B ST.

Flat-Tone.

What it is—It is similar to an oil paint prepared in liquid form and dries perfectly flat without any sign of gloss and yet adheres firmly to the plaster in such a way that it can be washed and scrubbed with soap and water without any danger of affecting its film or color. Flat-tone is made in twenty-four distinct colors embracing a variety of the most harmonious and popular shades.

It is a sanitary wall coating and is especially desirable for kitchens and bath rooms.

We will gladly furnish color cards and full directions for the asking.
L. W. McCONNELL, Druggist.

Card of Thanks.

Our heartfelt gratitude and thanks go out to all the friends in McCook and Culbertson for assistance and sympathy in the injury and after the death of our dear one, George A. Neve.

A New Industry for McCook.

The Associated Manufacturers Company of Waterloo, Iowa, have arranged with the McCook Hardware Company of this city to handle their line of gasoline engines, feed grinders, pump jacks, cream separators, etc., and there has just been a car load of these goods unloaded by the McCook Hardware Co. and other cars will follow as needed.

McCook Hardware Company, with this arrangement are in a position to supply their customers with these goods promptly and at a saving to them, and in addition will supply dealers in Southwestern Nebraska, thus eliminating the long delays in getting goods from the factory.

The Associated Manufacturers Company line of gasoline engines comprises those from one and one-half to 15-horse power, and the prices are lower than such goods can be bought of catalogue houses, besides having the advantage of showing the goods right here at home by responsible home merchants, who put them out on an absolute guarantee of satisfaction.

The matter of getting such goods from distant factories has always been a serious problem, not only on account of the long delay, but for the reason that if any other matters had to be adjusted it was necessary to take it up by correspondence with people at a distance.

Altogether we feel that this arrangement will prove of great advantage to the people of McCook and vicinity, and solves the difficulty experienced so far as these lines are concerned.

The Associated Manufacturers Company's line of engines has been handled by McCook Hardware Co. several years and the satisfaction they have given has induced the company to handle the line very extensively as above indicated.

Notice of Equalization.

Notice is hereby given that the County Board of Equalization will meet on the 13th day of June, 1911, to equalize the 1911 assessment and will be in session at least 3 days as provided by law.—18-4ts.

COMMENCEMENT EXERCISES

Commencement exercises this year will begin with the baccalaureate address at the Methodist church, Sunday evening, May 21st. The sermon will be preached by the Rev. Reed Taft Bayne of the Congregational church. Class day exercises will be held at the high school auditorium, Wednesday evening, May 24th. The class will issue invitations for the class day exercises owing to the scarcity of room. This program will be a sort of good-bye jollification in which the members of the class will put on all sorts of humorous stunts for the entertainment of their friends.

The commencement proper will occur Thursday evening, May 25th, at the Temple theatre. The class oration will be delivered by Dr. I. F. Roach of Lincoln, on the subject, "Education as an Investment." The members of the graduating class and their immediate relatives will receive complimentary tickets to this program. To help defray the expenses of the program a charge of 25 cents will be made to the general public; reserved seats free.

The annual alumni banquet will be held at the high school auditorium on Friday evening, May 26th. This will complete the festivities of the week. This year's class consists of 17 pupils of whom 14 are girls and 3 boys. Following is the program:

West of Longitude 100.
A determined effort is being made by the people west of hte 100th degree of longitude to impress upon the board of public lands and buildings the importance of locating the proposed Nebraska agricultural college west of longitude 100. It is the quite unanimous opinion of real South western Nebraska that its purposes would not be subserved if the school should be placed outside or east of longitude 100. This proposition is in favor of the section to be benefited, and cannot be too strongly urged upon the board.

Parents Will Take Warning.
It is very frequent that small children are injured by being run down by vehicles, and it is necessary that parents use their best efforts to stop the practice of children catching on to rigs of all kinds to ride.
