The readers of this paper will be pleased to learn that there is at last one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O.

Sold by all druggists, 75c.  
 Take Hall's Family Pills for constipation.

**Kidney Diseases Are Curable** under certain conditions. The right medicine must be taken before the disease has progressed too far. Mr. Perry A. Pitman, Dale, Tex., says: "I was down in bed for four months with kidney and bladder trouble and gall stones. One bottle of Foley's Kidney Remedy cured me well and sound." Ask for it. A. McMillen.

Sprains require careful treatment. Keep quiet and apply Chamberlain's Liniment freely. It will remove the soreness and quickly restore the part to a healthy condition. For sale by all dealers.

Never leave home on a journey without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed and cannot be obtained when on board the cars or steamships. For sale by all dealers.

**THE PROPER COURSE.**

**Information of Priceless Value to Every McCook Citizen.**

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement will add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statements of nearby residents who have been permanently cured?

Lewis W. LaBove, Main Street, Oberlin, Kan., says: "For many years I was employed on the railroad and this work finally told on my kidneys, causing a severe attack of kidney complaint. When Doan's Kidney Pills were brought to my attention, I began their use. The contents of six boxes corrected my trouble. I am pleased to endorse this remedy in return for all that it has done for me." (Statement given April 8, 1907).

**The Cure Lasted.**

On May 31, 1910, Mr. LaBove said: "I have had no trouble from my kidneys since I used Doan's Kidney Pills three years ago. You may continue to publish all I previously said in praise of this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name — Doan's — and take no other.

**Honest Medicines Versus Fakes.**

President Taft's recent message suggesting an amendment to the Pure Food and Drugs law in its relation to prepared medicines, does not refer to such standard medicines as Foley's Honey and Tar Compound and Foley Kidney Pills, both of which are true medicines carefully compounded of ingredients whose medicinal qualities are recognized by the medical profession itself as the best known remedial agents for the diseases they are intended to counteract. For over three decades Foley's Honey and Tar Compound has been a standard remedy for coughs, colds, and affections of the throat, chest and lungs for children and for grown persons, and it retains today its pre-eminence above all other preparations of its kind. Foley Kidney Pills are equally effective and meritorious. For sale by A. McMillen.
