The state fair will be held in Lincoln all the coming week, September 4 to 8. The entries so far received in the live stock and agricultural departments give promise of still another record breaker. This event is the farmers great outing, as then they hold family reunions, see all the prominent men of the state, view the finished product in live stock, agriculture and machinery. There is the only place when all kinds of implements used on the farm can be seen in motion, working side by side, handled by experts, so that a careful selection can be made of the particular machine wanted. There will be seen the wonderful Wright Bros. flying machines, handled by experienced aviators, in four flights each day of the fair. Three harness and three running races are scheduled for each afternoon. In front of the new grand stand—which will seat 6,400 people—will be given concerts by the world famed Liberati Concert Band and Grand Opera company of 61 people, 20 of whom are grand opera singers who will each give an act from "Lucia," "Il Trovatore," "Carmen," "Faust," etc. The Ferranti Royal Italian Guards Band will also be heard in classical concerts, with state bands from Wilber, Fairbury and Hebron. Seven free vaudeville numbers are given on the stage before the grand stand, both afternoon and evening. Vaudev. two running, a hippodrome and Roman chariot race with a wonderful display of fireworks followed by an act of grand opera constitute the evening performance. Hon. Jas. Wilson, secretary of agriculture, Hon. Geo. W. Norris, M. C.; Governor Aldrich and other noted speakers will be heard. The railroads offer reduced rates and camp outfits can be had on the grounds. Let's go.

CAUGHT HORSE THIEF.

Sheriff Higgins and Marshal Fitch Capture Ivan Kincaid.

Irvin Kincaid was captured yesterday afternoon about eight miles north of Indianola, at the farm of Mr. Holeomb, and was brought to McCook, last evening, when and where the young fellow was taken in tow by the sheriff and deputy sheriff of Decatur county, Kansas, and taken at once per automobile to Oberlin, Kansas, he having willingly accompanied the officers without demanding requisition papers.

Kincaid stole the horse in Decatur county and had gotten as far away as the Holeomb farm. He was in McCook yesterday morning.

The telephone and automobile were responsible for his undoing. Sheriff Higgins and Marshal Fitch were phoned of his act and learned of his presence at the Holeomb farm, and with an auto soon reached the farm and brought the young man here and turned him over to the Kansas officers. The horse was taken to Indianola to be taken to Kansas later.

Kincaid is only about 20 years of age and claims Indiana to be his native state.

The Coming Revival

The union revival will be held some time in October. The date will be announced in the near future. Dr. Bulgin, the evangelist who will conduct the services, is well known throughout the west where he has been doing much of his work for the last few years. Dr. Bulgin was born in New Jersey, but when quite young his father moved to North Carolina, and in the midst of the mountains and their scenery the lad grew to manhood. In this mountain home he was deprived of the advantages of school, but his father and mother ever helped and encouraged him and thereby he was inspired to make the most of life. He pushed out alone on life's sea when quite young, trying one thing and then another to make an honest living, and finally was encouraged to take up his studies and the profession of law. Here he found a fertile field and entering upon it with zeal he saw the promised harvest before him. It was at this period that he heard Ingersoll on "Mistakes of Moses" and for the first time his faith was shaken in the religion of his father and mother. For three years he read and studied every thing he could get on infidelity and then came face to face with three questions: Who am I? Where am I? What am I here for? He could find no answer in science or infidelity. Greenwood on Evidences was laid aside and the word of God taken up and he read John 7:17, "Him that is willing to do My will shall know of the doctrine." His life was changed, his coveted profession given up and studies for the ministry pursued. Dr. Bulgin worked with Mr. Moody in Chicago during the World's Fair, and for 21 years he has been trying to leadm et to Jesus.

The Trans-Continental.

The traffic over the Omaha-Denver Trans-Continental route continues brisk. Cars come and go every day. Tuesday, a Ford No. 18573, from Denver, bound for Iowa, went thru. An Overland from Cornell to Lincoln. A Brush 18503 carrying a wholesale coal man. An Abbott-Detroit from Iowa to Denver. Wednesday, C. R. Combs in an Oakland 40 from Omaha to Hayes Center. A Chalmers-Detroit bound from Denver to Detroit and return to Denver.

Indulge in a Picnic.

The members and friends of the Episcopal Sunday school an Ladies' Guild had a picnic Tuesday, at Stillman's Grove, east of the city. Besides a daintily prepared lunch, there were several other attractions and events, such as a sack race, egg and spoon race, tug of war, etc. A very happy time was spent by all. The weather was ideal for an outing. The stage of water in the river made wading possible and not dangerous.

Sleeping Garments.

Children's elastic ribbed sleeping garments with feet, nicely made and slightly fleeced, will do good work from now on in protecting the little folks who are so apt to be impatient toward the bed coverings. 35c is the price. The Thompson D. G. Co. Utmost values.
