THE W. C. T. U. CONVENTION

State Meeting in McCook, September 26th to 29th.

The state convention of the W. C. T. U. will gather in McCook, September 26th and continue in session until September 29th. Mrs. Mary Armour of Georgia, with a nation-wide reputation as a temperance worker, will be present, among other women of note. This will be an important gathering and McCook may well give it attention.

Death of Baby Steinmann.

The nine-months-old baby boy of Mr. and Mrs. James Steinmann died on Tuesday afternoon about four o'clock. The little one had been ailing for some time. Funeral services were held at the home in the Menard building on Main avenue, Wednesday afternoon, Rev. D. L. McBride conducting the brief services. Burial was then made in Riverview cemetery. The parents have the tender sympathy of friends in the loss of their little one.

Former Cambridge Pastor.

When Rev. Howard S. MacAyeal, pastor of First Church, of Akron, O., returned from Europe September 1st, he discovered a mysterious looking box in his study; on opening it he found that it contained twenty-five \$20 gold pieces, with an affectionate note expressing the hope that he would be with the church for many years to come.

BOY DIES FROM INJURIES.

Theodore Adams, Victim of Accident, Dies on Monday of This Week.

Theodore Adams, the twelve-year-old son of William Adams, who lives on the old Somerville place, was a victim of an accident Saturday which resulted in his death on Monday following. It appears that the boy fell or was thrown from the horse on which he was riding, sustaining injuries about the head which caused his death.

Funeral services were conducted at the farm home, Tuesday morning, Rev. R. T. Bayne of the Congregational church in charge, after which the body was conveyed to the city and burial given in the Riverside cemetery. Six young neighbor boys and friends served as pall bearers.

Just exactly how the boy came to his fatal injury will never be known, but it seems that he had been to see the wild west show on last Friday, and was attempting to do a wild west cowboy stunt on the farm horse, and was in some manner thrown off, receiving injuries which at the time were not regarded as serious at all, but which proved fatal on Monday.

The bereaved parents and children have very tender sympathy in their keen sorrow.

For Forgery.

Ray Stone is now lying in the jail and has confessed to the forgery of notes, reference to which was made in our last issue. He has been bound over to the district court. As he stoutly maintains that he is but 17 the authorities hardly know what to do with him. He was recently paroled out of a Colorado reform school. He at once went off with a horse, and he stole another horse and a harness and buggy at Giltner and took them to Phillips and sold them to the livery man there. His mother lives at McCook.—Aurora Sun.

Struck the Curbing.

Mr. and Mrs. M. Y. Starbuck of 1735 South Twenty-fourth St., were both thrown from an automobile which Mr. Starbuck was driving when it struck the curbing at the corner of Eleventh and South streets yesterday afternoon. Mr. Starbuck was attempting to turn the corner with the machine when the front wheel struck the curbing and the rear wheel was thrown around so as to strike the curb a few seconds later. The right side of car was badly damaged. Neither of its occupants were seriously hurt. — Lincoln News.

Her Seventh Birthday.

Elizabeth Kay has occasion to remember her seventh birthday. It happened yesterday, and last evening, about thirty little girls assisted her in making memorable day. Refreshments were served at six o'clock. At 7:30 a "joie" was given the little tots, H. P. Sutton, H. C. Clapp, Carroll Eldred and Frank Barnett being the chauffeurs and Mrs. Elmer Kay, Mrs. May Douglass, Miss Edna Waite and Miss Elizabeth Betcher chaperoning the respective car parties. Miss Elizabeth fared generously and handsomely in remembrances of the event.

Give heed to the notice of the city board of health, which appears elsewhere in this issue. Notice will only be printed once.

Citizens, Give Heed!

Numerous complaints have come to the Board of Health concerning the violation of Ordinance No. 160, Sec. 2, which reads as follows:

"It shall be unlawful for any person to throw into or upon any Street, Avenue, Alley, Lot or Premises, any refuse, offal or any matter that is likely to produce offense, obstruction or disease, within the City of McCook."

The fine for such violation may be \$50, with a jail sentence till fine is paid.

The board of health, in response to these complaints made a partial inspection of the city and found the conditions even worse in some localities than the complaints represent.

It seems that many families make a practice of throwing offal, such as melon rinds, refuse fruit and vegetables with kitchen slops and other waste material, onto their lots or in the alley. This decomposing mass is an ideal breeding place for flies and disease germs.

All such offal should be burned or emptied into a suitable container kept covered from flies and such container should be emptied often enough to meet sanitary conditions.

Owing to the above it is hereby ordered by the Board of Health that all householders who are in any manner violating ordinance No. 160 make an immediate and thorough cleaning up of their lots and alleys.

L. A. FITCH,
WM. MIDDLETON,
J. D. HARE,

Board of Health.

There is a long list of names in the hands of the Board of Health of persons who are violating the above ordinance and other names will be added as the inspection of the city proceeds and unless such persons immediately take heed to this notice arrests and fines will follow.

This notice will appear but once.

Commercial Club Meeting.

There was a regular session of the McCook Commercial club on Tuesday evening with but a small attendance.

Four new members were elected into the organization. (Plenty room for more of McCook's business men, professional men, and others.)

Messrs. Stansberry, Hofer and Fahnestock were named a committee to take in charge the matter of presenting a petition to the board of county commissioners requesting the board to place on the official ballots at the coming election a proposition to vote to utilize on the roads of Willow Grove and Valley Grange precincts a certain surplus fund left over from the old irrigation bond issue of these two precincts.

Dr. C. L. Fahnestock is the committee man of the club to cooperate with the city committee and the railroad men's representative on the city water works park.

The matter of a street fair or something similar was broached, but among those present there was not a sufficient sentiment favorable to the proposition to take up any action.

An amount of routine business was disposed, allowance of claims etc.

AN EARLY SETTLER DIES.

W. N. Cratty Joins the Great Majority—In Failing Health for Some Time.

W. N. Cratty, who has been in failing health for some time, passed away on last Sunday morning at two o'clock, at his home southwest of McCook. Deceased was an early settler in this section of Red Willow county. He is survived by his wife and several children.

The funeral services were conducted by Rev. D. L. McBride of the Baptist church on Tuesday morning at ten o'clock after which interment was made in Riverview cemetery.

Wm. Newton Cratty was born in Delaware, Ohio., October 9th, 1842. Died on September 9th, 1911, age 68 years, 11 months.

Removed from Ohio to Iowa with his parents when but a boy. Came from Iowa here 24 years ago and settled on this place. He leaves a widow and one daughter.

Was a soldier during the entire period of the civil war, serving in Iowa cavalry regiments. He was baptized into the fellowship of the Christian church in McCook in 1901.

Locking Up Some Evidence.

An Omaha lawyer was in the city, last week, looking up some evidence concerning William Tighe, who formerly lived in the city. The lawyer states that William Tighe and alleged wife lived in McCook, 1905-06, but at that time had not attended to the little detail of being legally wedded so he claims, although they were afterwards married. They had a baby while living here, which died under circumstances not entirely satisfactory, the lawyer stated. This same couple is now interested in a big damage suit brought by Tighe against some other man for alienation of his wife's affections, and it is surmised the lawyer, who is attorney for the man sued, is looking up matters derogatory, if possible, to the character of Tighe and wife.

Interment at Indianola.

R. O. Williams of Wauneta came down on the branch train, last evening, accompanying the remains of his daughter Rose to Indianola for interment. The Williams lived in McCook for years, but the mother of the dead girl being buried in Indianola, it was thought desirable to lay the remains of the daughter beside the body of the mother there. Rose attended public school in McCook years ago, and the family will be remembered with sympathy by many old time readers of The Tribune.
