FATALLY INJURED.

Keith Jacobs a Victim of an Accident at Falls City.

Keith Jacobs was struck by a switch engine in the Missouri Pacific yards at Falls City, last week Thursday evening, sustaining injuries from which he died in a Kansas City hospital, Sunday, October 15th.

Keith had only been at work two days when the sad accident took his young life away.

The remains were shipped here for burial, arriving on 13, Tuesday morning.

The funeral services were conducted by Rev. D. L. McBride in the Baptist church, at 9 o'clock on Wednesday morning, many friends remembering the departed and the sorrow-stricken father and children by their presence and sympathy. The remains were laid away in Longview cemetery.

Keith was a member of Company M, First Nebraska regiment of national guards, and a large detachment of guards marched to the cemetery and fired the usual salutes—three volleys—over the grave of their mourned comrade, who but recently camped with the company near Omaha.

Keith was a twin brother of Kenneth, and was 19 years and 10 days old at his death.

The father C. H. Jacobs was called to Falls City when the accident happened, and accompanied the injured boy to Kansas City and the body upon its shipment home.

The Tribune gives but feeble verbal expression when it states that the deep and heartfelt sympathy of this entire community to Mr. Jacobs and his family's in this great sorrow—their untimely death of their dear one.

All the members of the family were present at the funeral, Roy coming down from Denver, Mr. and Mrs. Will Meyers from Culbertson, Mr. and Mrs. F. L. Barnes of Bladen, Kenneth from Falls City, besides the father and Miss Florence of our own city.

Keith was the aid to Adjutant General at the last encampment of company M.

The profuse floral offerings showed how sincere was the sympathy of the home people for the family in its bereavement. Keith was born in McCook and had spent practically all his life here.

To our friends—and the past few days has shown their number to be without limit—words but poorly express our appreciation in this hour of need.

Mrs. Arthur Wood won the honors of the evening and Mr. C. R. Woodworth, the consolation. Usual refreshments were an added detail, and a bubbling-over good social time the whole thing.

"The Rosary."

The following is the story of "The Rosary" which comes again to the Temple Theatre Saturday, October 28th.

Bruce Wilton has amassed a fortune which he has lavished on his wife, Vera.

Their household is a happy one but into it creeps a note of menace. No one hears it at first save Father Kelly, a priest, the former tutor of Bruce. Quietly he goes to work with his sharpened sense to find the person who is causing adverse influence in the household. Almost on the verge of discovering the cause, calamity descends upon the Wilton house. Bruce's fortune is swept away, and in such a manner that he believes his wife the cause of his ruin.

Husband and wife are separated, the home is destroyed, and yet the cause of all this disaster is unknown.

Father Kelly, with a faith that moves mountains, goes on quietly, serenely and confidently with but one purpose in view, the happiness of those he loves.

He solves the mystery and lets the white light of truth into the minds that have been destroyed by evil.

More than this, he finds the one who has caused all the misery and restores the home.

"The Rosary" is probably the most successful play of the year, it having recently closed a three months run in Chicago; a two months run at the Garden Theatre, New York City, and three months in Boston at the Globe Theatre.

This was one of the most popular plays seen in McCook last season. Those who saw it then will want to see it again. Those who did not should not fail to attend.

Slight Fire.

A fire alarm was turned in about 3:30 Wednesday afternoon, from the Frank Woody residence, and a quick response with the hose cart prevented an incident of serious conflagration. Mrs. Woody had started a fire in the furnace, and left it for some time. Some excelsior near the furnace caught and flames were shooting up from the basement when she returned. Mrs. Woody was slightly burned about the face, before help came.

Mated for Life.

THE REASON WHY

some people fail to make a financial success is not because they do not have the ability to make money, but because they lack persistence or stick-to-it-iveness. You can save if you WILL. Perhaps you have tried to develop a bank account and have failed. Does that one failure justify poverty in old age? This bank offers you all the inducements and facilities possible for a bank to offer. With the ready assistance and advice of which customers of this bank may avail themselves, there is no reason why YOU should not accumulate an independent competence.
