## KEEP THE GOOD STOCK

(By D. Clem Deaver.) ten be followed by him who  
With the approach of winter would possess a profitable dairy herd.

It is well also to keep in mind the fact that feed is a large factor in developing performers. Cows are but machines, transforming raw material into a finished product and this product being largely what we feed into it, it behooves us to take advantage of all the information that has been collated, at a cost in time and money that could not be undertaken by individuals, by state agricultural colleges and through scientific experiments and research by the federal department of agriculture.

Bulletins are issued periodically covering every phase of farm management, containing information easily reduced to practical form, and may be had for the asking.  
No farmer would entertain the idea of raising and harvesting a crop with the machinery in vogue 40 years ago, yet many do not seem to understand improvement in method is as essential as improvement in machinery.  
Where it is at all feasible, keep the best animals, feed the best feeds and you are sure of best results.

### CAUSE FOR ALARM.

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in McCook who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by

them. We honestly believe them to be without equal. They give very prompt relief, aiding to strengthen the digestive organs, neutralize the gastric juices, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. L. W. McConnell.

### THEY'RE ALL ALIKE

Ask any man past fifty years of age and he will tell you of some time in his life when he was sailing high. Things were coming his way. There are few exceptions. Why is he poor now? Well there are various reasons. One thing is sure. It is not because he placed his money in a sound bank and checked it out only when safe investments were secured. There are more ways to lose money than to make it. If you are making any money, no matter how small the amount, start the saving habit by opening a bank account.
