The Servant in the House.

The highly moral and intensely interesting drama "The Servant in the House" was presented at the Auditorium last night and its story of human interest was admirably interpreted by very competent cast of characters. The play has been seen here before with an able company presenting it and organization last night demonstrated that each part was in the hands of a man or woman of much ability, good training and had an enunciation and stage manner that greatly pleased the large audience.

The audience became intensely interested when the curtain went up for the first time.

Hugo B. Koch is a man strong in dramatic ability and training and he gave an ideal interpretation of the character of Manson, the butler and as the noted bishop the brother of the vicar and the drain man. His dignified bearing, his reading of the lines in a strong, well-modulated voice with perfect accent and enunciation pleased the people. Donald Merrifield as the Drain Man proved to be strong in the character. Miss Moore as the daughter of the drain man and vicar was winsome and interesting. E. H. Horner as the Vicar, Thomas Fitzgerald as the Bishop of Lancastershire, Harry O'Lynn as the page, all seemed well adapted to peculiar characters that help to make the drama one of much interest. The company appeared at its best and the successful rendition was aided by deep interest and evidences of appreciation by the audience that filled the house. — Stillwater (Minn.) McCook Defeats Holdrege.

Friday afternoon at the East Ward foot ball grounds the McCook high school foot ball team defeated the Holdrege foot ball eleven in a clean, fast, well-played game by a score of 5 to 0.

The Holdrege team out-weighted the McCook team at least ten pounds to the man and played a heady, aggressive game, but the snap and fighting spirit of the McCook team held them back three different times when they were on the verge of pushing the ball over the McCook goal line.

The team work of Meoock coupled with the generalship of Schwab, the long spiral punts of Emerson, and the smashing line bucking of Schmidt were the features of the game.

The McCook girls' basket ball team also defeated Edison girls' basket ball team by a score of 7 to 16.

THEIR SILVER WEDDING.

Conductor and Mrs. P. F. McKenna Celebrate.

A notable affair indeed was the celebration, last Saturday evening, of the silver wedding anniversary of Conductor and Mrs. P. F. McKenna. About fifty guests attended and event was a social success of much pleasure.

At seven-thirty a five-course dinner was served, Miss Mary Barbazette, Miss Anna Mein, Miss Hattie Schmidt, Miss Marcella Ryan, Miss Lillian Schmidt, Miss Minnie Fitzgerald assisting in the serving. A large wedding cake was the center piece of the dining table, and red roses, red carnations and smilax completed the other decorative effects of the dining room. Yellow and white chrysanthemums were the general house decorations—and these were in profusion.

During the dinner Mr. A. F. Buck with violin and Miss Claire McKenna at the piano entertained musically.

There was a wealth of beautiful gifts.

Out of town guests were: Mr. and Mrs. Gavreau and daughter Eloise of Hastings, Mr. Michael McKenna of Hastings, and Mrs. Lanagan of Greeley, Nebraska, in addition to their son Reid of Moccasin, Mont., who will remain here until after Thanksgiving.

After dinner a brief musical program added to the pleasure of the event, with Mrs. P.F. McKenna, Mr. Francis M. Colfer, Claire McKenna and Mr. A. F. Buck in vocal and instrumental numbers.

A RECORD ATTENDANCE.

"The Lion and the Mouse" Drew A Thousand People.

Barring the Jeffries-Gotch affair the attendance upon the production of "The Lion and the Mouse," Saturday evening, was the greatest in the history of McCook's great show house, the Temple theatre. A little over a thousand people witnessed the performance, and the consensus of opinion expressed is that it is the strongest play ever given in the theatre. Perhaps two hundred people from adjoining towns witnessed the play, which is recognized as one of the leading productions of the day.

An able cast coupled with a strong story made a result most satisfactory, and with nothing objectionable to the most exacting and a moral lesson almost without flaw the total was eminently worth while. Productions such as this are educational and uplifting and have a moral tone not to be lightly regarded.

It is the proved quality of Magner's groceries that accounts for their increasing popularity with the buying public. Every patron is a satisfied patron.

A cold is something that should be driven out of the system just as quickly as possible. While it exists it is a menace to life. It lowers vitality—breaks down the defenses of health. It is then that something far more serious may attack, and without power to resist its advances one falls a victim. If all colds were stopped in the beginning, when the first sign of them appear—the chills, the sneezing, etc., there would be nothing to fear. What is the remedy? REXALL COLD TABLETS. Price 25c.
