CALIFORNIA LETTER.

Mr. Editor and Friends:
 As it will be impossible for me to write all of my friends there, I take this method of letting them hear from me. I have been out here nearly six weeks now and the weather has certainly been beautiful, warm and sunny, just like summer during the day, always about the same temperature, neither too hot, or too cold, but the evenings are cool and all during the night, and the mornings are quite cool, but have not had any frost yet.

People are making garden now. They say it is a good time now to put it in before the rains come during the winter, so it does not require much watering. All kinds of vegetables and fruit are cheap here. Oranges, lemons, olives and grape fruit are beginning to ripen. The grapes and melons are fine. We can get all of the grapes we want for the picking. This townsite was formerly a large vineyard, and the vacant lots are still covered with grape vines and produce abundantly.

Some things are high here, for instance, butter 35 to 40 cents a pound; eggs 55 to 60 cents a dozen. Chickens are 20 cents per pound, live weight. Meat is about the same price as it is there but clothing is cheaper here than it is there.

Mechanics get good wages here. Carpenters get \$4.00 to \$4.50 per day. Plasterers from \$4.50 to \$6.00 per day, and plenty of work for all kinds of tradesmen, but not so good for common labor.

They say this is a very healthful country, for both men and women, but my wife seems to like it better than I do. I think Nebraska is good enough for me, but this is certainly a beautiful country and a fine climate.

We enjoyed the trip out here very much. We saw some fine country and the scenery was grand. We spent a few days in Denver visiting relatives. After leaving there we passed through the mountains, the Royal Gorge being the most remarkable sight, then we kept going up gradually until we crossed the mountains.

We stopped at Salt Lake City took a car and saw all the principal places, the Mormon buildings, parks, military fort, etc. We had the pleasure of hearing a recital by the famous organ in the Temple building. It is certainly wonderful what the Latter Day Saints have done at Salt Lake City.

About ten days ago we went out to Long Beach, our first sight of the ocean. We went out to see the American fleet of gun boats consisting of twenty-one vessels, anchored about ten miles out in the harbor. We went out in a small launch, and were landed on the "Colorado," one of the largest ironclads, and went all over it, saw the guns, telescopes, machinery, etc. It was a beautiful summer day and we enjoyed it immensely. We called on Mrs. Phelan. She has a finely located three-story apartment house, and seemed pleased to meet old time Nebraska friends.

With best regards to all.

Cured in Her Own Home Town.
 Kearney, Neb., Mrs. Belle Harlan, 1318-8th Ave., tells the way for her fellow townsmen to be cured of their kidney and bladder ailments, as she was cured. "I had a severe attack of kidney trouble when I heard of Foley Kidney Pills and took them. I had a severe pain across my back and felt miserable and all played out, but after taking Foley's Kidney Pills the pain left my back and I felt great improvement and once more full of life. Today I am glad to say I am free from kidney trouble and gladly recommend Foley Kidney Pills to all who suffer, as they cured me." A. McMillen.

If you are troubled with chronic constipation the mild and gentle effect of Chamberlain's Tablets makes them especially suited to your case. For sale by all druggists.

THE NEWEST FROCKS.

They are very simple, the newest frocks for young girls; but that does not mean that they are commonplace. On the contrary they are not correct unless they possess entirely distinctive style features—as do the pretty dresses illustrated here. One of these is a trim little model that makes

up attractively in serge, cashmere or wool batiste. In gray or tan it displays to special advantage the charm of the deep Quaker collar, which might be of linen hemstitched or plain, or of batiste or satin. The neat skirt shown with this waist is a nine-gored model, simple to construct and very neat and stylish to wear. The other dress made of combining modish peasant waist and a panel skirt of novel design, is equally effective. One of its most attractive features is the quaint peep collar, which is alike at front and back, a feature that illustrates one of the cleverest developments among the stylish large collars of the season. The dressy skirt has a panel front; and at the back it may be made until the new double panel. Both dresses are distinctively up-to-date and becoming.

THINK THIS OVER.

This Offer Should Gain the Confidence of the Most Skeptical.

We pay for all the medicine used during the trial, if our remedy fails to completely relieve you of constipation. We take all risk. You are not obliged to us in any way whatever, if you accept our offer. That's a mighty broad statement, but we mean every word of it. Could anything be more fair for you?

A most scientific, common-sense treatment is Rexall Orderlies, which are eaten like candy. Their active principle is a recent scientific discovery that is odorless, colorless and tasteless; very pronounced, gentle and pleasant in action, and particularly agreeable in every way. This ingredient does not cause diarrhoea, nausea, flatulence, griping, or other inconvenience. Rexall Orderlies are particularly good for children, aged and delicate persons.

If you suffer from chronic or habitual constipation, or the associate or dependent chronic ailments, we urge you to try Rexall Orderlies at our risk. Remember, you can get them in McCook only at our store. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold only at our store—The Rexall Store. L. W. McConnell.

"Best On Earth."

This is the verdict of R. J. Howell of Tracy, O., who bought Foley's Honey and Tar Compound for his wife. "Her case was the worst I have ever seen, and looked like a sure case of consumption. Her lungs were sore and she coughed almost incessantly and her voice was hoarse and weak. Foley's Honey and Tar Compound brought relief at once and less than three bottles effected a complete cure." A. McMillen.

An Alarm At Night

that strikes terror to the entire household is the loud, hoarse and metallic cough of croup. No mistaking it, and fortunate then the lucky parents who keep Foley's Honey and Tar Compound on hand. H. W. Casselman, Canton, N. Y., says: "It is worth its weight in gold. Our little children are troubled with croup and hoarseness, and all we give them is Foley's Honey and Tar Compound. I always have a bottle of it in the house." A. McMillen.

With the Coming of Middle Age there is a letting down in the physical forces often shown in annoying and painful kidney and bladder ailments and urinary irregularities. Foley Kidney Pills are a splendid regulating and strengthening medicine at such a time. Try them. A. McMillen.

You will find that druggists everywhere speak well of Chamberlain's Cough Remedy. They know from long experience in the sale of it that in cases of coughs and colds it can always be depended upon, and that it is pleasant and safe to take. For sale by all druggists.

He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all druggists.
