"Casey Jones" Makes a Big Hit.

Casey Jones at the Grand Opera House last night more than delighted a packed house. The cast is in most capable hands. Miss Ethel G. Barnes was charming as Miss Weatherby, while Mae Dudley as the "right ready now to marry" old spinster brot down the house with her comicalities. Mr. Lorin Smythe as the attorney, cannot be beaten in his line of the eccentric comedian. Jess L. Springer as the "boy" was extremely clever and his endeavors kept the audience convulsed with laughter. In the part of "Casey Jones" Mr. Geo. Highland showed himself an artist of exceptional ability. The various specialties introduced were a whole show in themselves and every one agreed that "Casey Jones" was simply immense.—Aurora, Ill., Daily Beacon, Jan. 29th.

Domestic Science.

The meeting of the domestic science faculty, pupils, etc. in the high school auditorium, Friday afternoon, was of interest, both the student body and the faculty being well represented in the session.

The principal program item of the afternoon was the lecture by Miss Amy Kautz of the high school teacher corps on "Food Values and Dietetics." The young lady gave an interesting, instructive address along well established lines on the subject in hand.

Mrs. C. L. Fahnestock, head of the faculty, also was active with the student body and in suggestions and instructions.

Sup't Davis indicated his satisfaction and pleasure upon the progress of the work in the department. The next meeting will be held in just one month from February 9th, in the same place.

The pupils of the department will meet at several homes in the city, next Friday afternoon, in the line of the work of the department as follows:

A Strong Play.

And well played for the most part.

Such we believe is the quite general verdict of the presentation of "The Third Degree," in the Temple theatre, Friday night. And there was present a splendid audience, quite a sprinkling of theatre-goers from out of the city being among them. As to the lesson sought to be impressed it is not likely many failed to appreciate it, nor to go hence without a renewed abhorrence and condemnation of the "sweating" methods of the city police, nor to register another protest against the yellow methods of newspaper while in sentiment and presentation.

All in all the play was worth while in sentiment and presentation.

Association Meets Tonight.

A meeting of the McCook branch of the American Railway Employees' and Investors' association will be held in Monte Cristo hall, this evening, at 8 o'clock. New officers will be chosen at this meeting and questions of general interest will be discussed.

You are hovering between weeps and laughter if you are lucky enough to get a seat for that breezy comedy "Casey Jones" which is the attraction billed for the Temple theatre for next Wednesday night, Feb. 14. It is a rollicking satire that penetrates the foibles of everyday life, but does it so cleverly that even the most affected appreciated it the most. Several good specialties are promised. Prices 50c, 35c, and 25c.

SOCIAL AND LITERARY.

Last Thursday evening, the home of Dr. and Mrs. W. F. Jones was the scene of a charming social affair, when Miss Martha Abel entertained a score of young ladies at a 6:30 o'clock dinner in honor of Miss Ada Skjelver of Inavale, this state. After the serving of dinner bridge whist engaged the attention of the guests, the honors of the evening resting upon Miss Williams and Miss Winters. The J. O. C. club were guests of Mr. and Mrs. Adair Galusha, Thursday evening, in a generous and clever hospitality. A seven o'clock dinner was served at the Monte Cristo cafe; beautiful La France roses with ferns at each guest's plate; and music during the serving. After which the company repaired to the Galusha residence on north Main avenue, where the remainder of the evening was consumed in playing whist. Those present were: Dr. and Mrs. C. L. Fahnestock, Mr. and Mrs. H. P. Waite, Mr. and Mrs. H. D. Stewart, Mr. and Mrs. F. M. Kimmel, Mr. and Mrs. A. Galusha, Mr. and Mrs. J. R. McCarr, Mr. and Mrs. C. R. Woodworth, Mr. and Mrs. J. G. ESTABLISHING HEALTH FOR A YEAR.

In a very true sense "The blood is the life." The blood contains the vital life principle, and it is the medium through which life and energy are maintained in every tissue of the body.

At this season the blood is apt to be in poor condition. For this reason all the organs become sluggish and vitality is lowered.

If you feel dull or lack energy if you have indigestion, biliousness, skin eruptions or other signs of poor or impure blood, take

McConnell's Sarsaparilla.

This is an honest, reliable blood purifier and general tonic, which we believe to be far better than the average blood remedy. Price \$1.00.

Held Shelton for Murder.

Henry L. Shelton, according to the coroner's jury, is charged with inflicting pain and other wounds upon Ludvik Osmera, causing Osmera's death.

This is the affair reported exclusively in The Tribune of February 1st. The murder is the result, according to the finding of the jury, of a drunken carousal in which Shelton, Osmera, Ed. Snyder and others were involved at Shelton's bachelor home in Antelope precinct, Hayes county.

At about 10:30 on the night of January 31st, Osmera is said to have started for his home, taking with him a jug of whiskey belonging to Shelton. Shelton started after Osmera with a shot gun and knife. In the mix-up Osmera was shot and died from his injuries.

February Program.

The little pupils of Miss Donisthorpe's room in the Central building gave quite a pleasing program to the pupils of other rooms of that building, last Friday morning. The little folks gave their program very creditably. The entertainment opened with a concert recitation entitled "February" and was followed by an exercise entitled, "The Days of February." Then came in order: Lincoln Exercise, Washington Exercise, Flag Exercise, Long-fellow Sketch, Dramatization of Hiawatha.

The first demand for paying seems to come from the two blocks on B street—one east and one west from Main. They resemble mud holes these melting days.

It is with a feeling of deep regret this week that we note the departure from our midst of these most highly respected and honorable citizens, Mr. and Mrs. Jacob Walker, who have resided for all here for an abode just east of McCook, where they went on Tuesday to take up their abode.—Trenton Register.

Eunice Ford entertained forty of her high school friends at a valentine party Saturday evening at the home of her parents Mr. and Mrs. Ellis Ford. The coffee scheme throughout was red and white, in ice cream, flowers, etc. Dainty two-course luncheon was served, and games and music filled a very enjoyable evening. Miss Millicent Slaby and Mrs. R. B. Simmons assisted in the serving.

Jandebeur-Daugherty.

Mr. Harry A. Jandebeur of Stockton, California, and Miss Gertrude M. Daugherty of our city were married by Rev. Fr. Patton of St. Patrick's church, February 9th, 1912, thus celebrating and observing the 25th anniversary of the wedding of the bride's parents, Miss Elizabeth Daugherty a sister was bride's maid and Mr. John Murray was groom's man.

The bride was born and has grown to young womanhood in our city. She has been a successful teacher in Red Willow county for the past six years. She just recently resigned the position of third grade teacher in the McCook public schools.

The groom was employed as operator at McCook during part of 1904, 1905 and 1906. He is now working for the Southern Pacific railroad at Stockton, California, as operator and assistant car distributor.

They left on 14, Friday night, for Norcatur, Kansas, Osborne, Kansas, and Alma, Nebraska, to spend a few weeks with friends and relatives before returning to their home on the coast, spending a short time in Denver, Salt Lake City and Sacramento on their way home.

A Former Resident.

The Tribune observes per the Monmouth (Ill.) Daily Atlas that our former citizen, John C. Allen, is being strongly urged for state senator by political leaders in Hancock and McDonough counties, Illinois. Mr. Allen lives in Warren county, and has been spoken of quite prominently in connection with the succession to the seat in congress so long held by Hon. James McKinney. Since leaving McCook, Mr. Allen has been more or less active in politics in Illinois, and it would not be surprising to see him yet occupying a prominent place in office from that state.

What a Woman Can Do.

The social held in the Baptist church last Thursday evening, was a very enjoyable affair. The occasion was the turning in of the talent fund. Some of the ladies told in very interesting rhyme, of the various ways they had increased their dime. \$91.00 was realized from their efforts and thirteen dimes yet to hear from. The receipts at the door increased the amount to \$104.50. A short musical program and refreshments closed a pleasant evening.

Stephens of the Palmer hotel, Mr. Moore has for many years been engaged in mining operation in the states of Utah and Nevada. In and previous to the early eighties he lived on the Red Willow creek. In the early days of the county he was county treasurer one term. Afterwards he went to Bartley and engaged in banking in the boom days of the Mallalieu university project. From there he went to Utah, which has been his headquarters for many years.
