ACTUAL STARVATION

Facts About Indigestion and Its Relief That Should Interest You.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and cure. There is no reason why most people should not eat anything they desire — if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling and good-tasting food, because it does not agree with them.

The best thing to do is to fast yourself so digest any good food. We believe we can relieve dyspepsia. We are so confident of this fact that we guarantee and promise to supply medicine free of all cost to every one who will use it, who is not perfectly satisfied with the results which it produces. We exact no payment, and put no one under any obligation whatever. Surely nothing could be fairer. We are located right here and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one troubled with indigestion or dyspepsia in any form to come to our store and buy a box of Rexall Dyspepsia Tablets. Take them home and give them a reasonable trial according to directions. Then, if not satisfied, come to us and get your money back. They are very pleasant to take; they aid to soothe the irritable stomach, to strengthen and invigorate the digestive organs, and to promote a healthy and natural bowel action, thus leading to perfect and healthy digestion and assimilation.

A 25c. package of Rexall Dyspepsia Tablets furnishes 15 days' treatment. In ordinary cases this is sufficient to produce a cure. In more chronic cases a longer treatment, of course, is necessary, and depends on the severity of the trouble. For such cases we have two larger sizes which sell for 50 c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store — The Rexall Store. L. W. McConnell.
