Winter Wheat Needs Rolling.

The wheat experts are calling attention to the tendency of the wheat fields to crack and expose the roots of grain to the drying wind. Unless a rain should come immediately rolling is recommended. Harrowing will serve, but rolling is better. Press bulletin No. 30 of the Nebraska Experiment Station says:

"Rolling winter wheat in the spring has not failed in any of the four years to give an increased yield, the average increase being 5.1 bushels per acre. The rolling was given early in the spring, soon after frost was out, and about the time growth started. Harrowing after rolling was not as good as rolling alone, probably due to loosening up plants again after the roller had pressed them firmly into the soil.

"Early spring rolling of winter grain, pressing the earth as it does firmly about the plant roots, produces good results. When frost comes out in the spring it is very apt to leave the soil filled with small cracks or checks, especially around the plants. If these checks are examined closely it will be seen that a large number of roots are thus exposed, and if the weather continues dry they are killed or at least injured. We have taken up plants in the spring where half of the roots were injured in this manner.

"If the soil is not wet at the time of rolling — and it should never be rolled when wet — rolling aids in no small degree to form a surface mulch. It does this rather than compact the surface."

TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in McCook.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the secretions when the kidneys are well, are retained in the body when the kidneys are sick. Kidneys and bladder become inflamed and swollen and worse troubles quickly follow. This is often the true cause of bearing down pains, lameness, backaches, etc. Uric poison also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that has cured thousands of such cases. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a McCook woman tell you about Doan's Kidney Pills.

Mrs. H. A. Rough, 212 E. Fifth St. McCook, Neb., says: "I have seen what Doan's Kidney Pills will do in cases of kidney complaint and therefore feel justified in recommending them. A member of my family took this remedy when suffering from back ache and soon received entire relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

You will look a good while before you find a better medicine for coughs and colds than Chamberlain's Cough Remedy. It not only gives relief—it cures. Try it when you have a cough or cold and you are certain to be pleased with the prompt cure which it will effect. For sale by all dealers.
