Fine soil, producing fine corn, wheat, oats clover and timothy and blue grass is a natural growth. We can sell you a good farm there from \$5 to \$15 less per acre than you can buy the same grade of land here. We also have a large list of good wheat land in southwest Kansas. Also good wheat, corn and alfalfa farms in Washington, Norton, Jewel and adjoining counties in Kansas for sale cheap or will trade for a stock of dry goods groceries, hardware, drugs and implements or good residence or business property, in a good town. We also have some good farms in Payne county, Okla. This is the county where Mr. Brown, the photographer, lives and owns nine farms, we own a half section 12 miles from the county seat, well improved, fine running water on it that we can sell you at a bargain. We also have a large list of ranches and grazing land in Kansas and Nebraska for sale or trade. And if you don't want to buy we can locate you on a good homestead in South Dakota, fine black rich soil, smooth and not even a pebble on it, only 12 miles from the state capital, if you think of going up, you can't find a better place to use your homestead right, if you don't believe this write or call and see Dr. Fleming, William Stains, William and A. R. Goolsby, T. G. Brown, Asa Crook of this city as they all have claims in this South Dakota country. If you and your friends want to get a good quarter there come and see us, we can give you railroad rates of one fare plus \$2.00 for the round trip at any time, you better come and go up and get a quarter as there will be 25 or 30 from this county who will go there in the spring to prove up, so you will have good company. For the want of space we can not tell you of one-tenth of the bargains that we have to offer you and will only give you the description of a few that must be sold soon or will be off the market.

No. 50—Is a good well improved farm of 135 acres, good two story 7 room house, large barn and other out buildings, good orchard, plenty of good water, close to school and church.
