THE FALLS CITY TRIBUNE

LOCAL AND PERSONAL

R. G. Will has returned from Zion City.

A new pianola has been placed in the Odd Fellow hall.

Dr. Robt Henderson of Rulo was in town the last of the week.

John Norris returned yesterday from an extended stay in Chicago.

A son was born to Mr. and Mrs. J. W. Dodds of Ohio precinct on Tuesday.

Editor Humphrey of the Verdon Vedette was in town between trains yesterday.

Lizzie Hossack spent last Sunday in Verdon visiting her sister, Mrs. W. C. Sloan.

Emma Lawrence came up from St. Joe Tuesday and visited her parents a few days.

A number of Knights of Pythias attended lodge at Hiawatha Wednesday night in response to an invitation from the lodge at that place.

Mrs. Jesse Morton was called to Weeping Water last Friday by the announcement of the death of her mother, Mrs. S. O. Mitchell. The deceased lived for a number of years in this city and was well known to many of our people.

"A Colorado Waif" which was to have appeared here last night failed to materialize, the show having closed at Lincoln. A great injustice was done to Manager Gehling by the abrupt cancelling of the contract after advance sale of tickets had been made. Of course it was no fault of his and his patrons share in his just resentment of such an imposition.

The concert given by Harnacks Military band and the Arions at Jennie's opera house Wednesday evening was quite well attended and was much enjoyed. The crowd remained until a late hour and all expressed themselves as being delighted with the entertainment.

The tea given last evening by the ladies of the Episcopal church at the home of Major Keeling was a great success. The rector of the church of Hiawatha accompanied by the members of his choir arrived in the afternoon to attend the tea.

When the flag was displayed on the court house this morning many took it as an announcement of the death of Senator Hanna. The flag, however was displayed in honor of Lincoln's birthday.

Watches for the Boys.

The Lincoln Daily Star is making it possible for any boy in Nebraska to be the owner of a handsome American watch. The watches are open face, stem wind and stem set, and are guaranteed by the maker to be good time keepers. Many boys throughout the state have already secured one of the watches, and they are invariably well pleased.

Fred Robinson, Tekamah, says "I am very much pleased with the watch I got. It keeps very good time. Thank you." A. M. Linner, Holdrege, writes after getting his watch as follows: "I think it is a good little watch you sent me." We could give the names of many more Nebraska boys who have secured watches and are more than pleased.

Any boy who will write to us, we will tell him how he may obtain one of these watches. We do not ask him to send us money for them. You can do as well as the other boys who have already obtained their watches. Write us a postal card or a letter now, asking for particulars.

Address—Watch Department, Daily Star, Lincoln, Neb.

Mr. and Mrs. Frank Shuler, living north of town, are the parents of a fine baby boy which arrived last Tuesday.
