## DRESS TRIMMINGS

We are now showing a very extensive line of new dress decorations. Band and Medallion effects continue the leading feature in these with much more of color in their make up. Our display of Persian and Bulgarian galloons and medallions includes some exceedingly dainty designs, which when even sparingly used, lend an air of exclusiveness to a costume, that is pleasing and effective. Many wood fibre bands, silk chiffon embroideries, spangle all overs and medallions are among our late arrivals.

## EMBROIDERIES

It is with a pardonable pride that we display this stock in the most conspicuous place in our center isle. Coming from one of the largest manufacturers of popular priced embroideries, the prices are moderate, the styles are strictly up to time. In low priced muslins we have a superior assortment suitable for muslin underwear, &c. For corset covers a new lot of entirely fresh and novel designs have just come in.

Our display is Especially rich in allovers in white, butter, ecru and black at from 50c to \$4 per yard. In valenciennes, nottinghams, clunys, planeus, repousses, cliantillys, we are prepared to meet every whim. As laces are to be extensively employed in costume decoration both in wide and narrow edgings, bands and medallions, we challenge all competition to match our variety in kinds, widths, colors and quality.
