Again the year has rolled round and the troubles and needs of House Cleaning are with us. Nearly every household finds it necessary to buy more or less in Carpets, Mattings, Shades, or Curtains each season. The first consideration in your purchases of this kind is Fitness. Suitableness, Price and Value are of prime importance, but the kind, the coloring, the design form more important motives.

We have a variety in this department that affords you choice; in which you will find the Carpet, the Rug that will harmonize with your furnishings and meet your conceptions. We are showing a large number of new room size Rugs, Art Squares, Granites, Unions, and all Wool Ingrains, Mattings, Linoleums, Lace Curtains, &c. Although most of the goods in this department cost more than a year ago, we have not advanced the prices on a single item.
