FALLS CITY, NEBRASKA, FRIDAY, APRIL 1, 1904.

NUMBER 13

SOME SOCIETY NOTES

The Young Men's Dancing club has issued invitations to a ball to be held at Ryan's hall on next Friday evening. The boys are planning a good time and their expectations will doubtless be realized.

Mrs. Allan D. May entertained the Married Ladies Kensington club yesterday afternoon. Mrs. Geo. Holt and Mrs. W. R. Holt will entertain the members of the club and their husbands on next Thursday evening at the home of the former.

The Kensington club which was recently organized by the young ladies held its second meeting Wednesday with Miss Bessie Davis. This meeting proved that the hopes of the founders of the club are to be abundantly realized. It was a pleasant meeting in every sense and no little part of the enjoyment was due to the dainty refreshments served by the hostess.

For many years the L. B. T. was one of the best known social organizations of this city, but during the last season no regular meetings had been held. On Wednesday afternoon, however, in response to invitations from Mrs. Dan Sargent, the members met and reorganized the club. One of the charter members of the club was Mrs. A. G. Wanner, but during her incumbency as librarian at Lydia Bruun Woods library she was forced to abandon the club work, and the fact that she is again able to take up the same was very gratifying to the members. At this meeting Mrs. J. L. Slocum was admitted to membership. The meeting on Wednesday was a delightful one and recalled to all many pleasant reminiscences of former meetings. Mrs. Sargent entertained in a most delightful manner.

More Railroad Rumors.

For a long time it has been generally understood that the Burlington contemplated some important changes in its schedule and some alterations and some improvements in its yard facilities at this place. On Wednesday a company of surveyors worked in the yards and left stakes which are said to mark the future site of a turn table. It is supposed that a daily train

service is to be established between this city and Nebraska City. It is also currently reported that a train is to be run daily between Rulo and Atchison. Railroad officials admit that there is something in the air but decline to give details.

Fraternal Union.

The committees in charge of the arrangements for the fraternal picnic met at the G. A. R. hall Monday evening and held a business session. It was decided to change the dates of the picnic from Aug. 25, 26 and 27 to Aug. 23, 24 and 25. It was decided that the permanent name of the organization shall be Fraternal Union. The next meeting shall be held on the evening of April 11th.

Joe Davidson Dead.

Joe Davidson died at Excelsior Springs, Mo., yesterday at the age of 54 years. Mr. Davidson had been in poor health for a long time and had gone to Excelsior Springs for treatment. For a number of years Mr. Davidson had resided in this city and had many warm personal friends who sincerely regret to learn of his death. He leaves a wife and eight children who have the sympathy of many friends.

Railway Officials.

General Superintendent Russell, Division Superintendent Vermillion and several other officials of the Missouri Pacific were in town Wednesday. They arrived on a special car and spent about a half hour looking over the property of the company in this city. They declined to make any statements as to the intention of the company in the matter of relocating the division.

Severe Injury.

Frank Werner, who is employed at Paul Hesslers harness shop has a badly injured hand. He was working with what is known as a "stuffing rod," an instrument resembling a very large awl, and accidentally drove the point thereof entirely through his left hand. For a while it was feared that blood poison would result but this has been prevented and the wound is slowly healing.
