**Gentle Roast.**

A Hiawatha man who is quite a gossip went into a neighbors the other day with a new piece of scandal. He settled himself down in an easy chair and said "One half the world don't know how the other half lives." "Well that isn't your fault" quietly remarked the lady of the house.—Hiawatha Herald.

**Circulars.**

George Seaman is candidate for sheriff of Brown county, Kansas and some of his enemies have circulated postal cards denouncing him and attacking his personal character. The Hiawatha World vigorously denounces this sort of politics and closes its comment thus:

"The newspapers often print similar articles about candidates and in a recent judicial election at Falls City thousand of circulars and cards are said to have been mailed, all meaner than this postal card, which is one of those things that has reacted in favor of the accused."

**WANTED**

100 Bushels Sweet Corn at Heck's Feed Store. Will pay \$1.00 per bushel.

**Easter.**

Easter Sunday was very generally observed in this city. As far as climatic conditions were concerned, it was a typical day. The blue sky was unclouded, and the air was just crisp enough to invite one out of doors, without being cold enough to demand that easter suits and gowns be concealed beneath winter wraps. Shortly after ten o'clock a double quartette from Harnacks Military band appeared on the cupola of the court house and played "The Day of the Lord" and "Nearer my God to Thee." In the old countries this custom is general and we think it a very beautiful one. The tones of the horns blended together very nicely and could be heard practically all over town.

The services at the churches were impressive and very largely attended. Truly the spirit of the easter-tide prevailed the sanctuary. In all the houses of worship the decorations were profuse and especial attention was given to easter music.
