

MEN'S WEAR.

In Shirts, work and dress, Pants, Overalls, Neckwear, Collars, Mackintoshes, &c., our values are fully up to the high standard of all our other departments. Because we don't make as much noise about this department as some others don't think that it has no attention and does not contain the best that can be had for the prices asked. Because of the fact that this is not our main line we sell it on closer margin than those of the average Clothier or Haberdasher.

WASH SKIRTS.

A new line of Wash Skirts just in. Prices \$1.25 to \$3.00. We invite your attention to these Skirts—the styles are new, the materials are those most in demand.

HATS AND CAPS.

In popular priced Hats and Caps our range of Styles is complete. Our great value in Hats is our high grade Fur in all the new shapes at \$1.50. This grade is the same as is generally sold at \$2.00 and is shown in Black, Nutria, Tan and Brown. All the new things in Straws for Children, Misses, Boys and Men. We would like to have the pleasure of showing you our headwear.

An Open Letter.

From the Chapin, S. C. News—Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicine failed to give any relief. A friend who had a bottle of Chamberlains Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. A. Bailey editor. This remedy is for sale by A. G. Wanner. 18-4

Well Pleased.

About thirty-five members of the order of Rebekahs went down to Falls City on Tuesday evening last, in response to an invitation from the order at that place. The crowd was met at the depot by the band and committee and was escorted to the hall, where a candidate was put through the initiatory work and then a gorgeous, royal, superfine supper. Everyone from here are high in their praise of Falls City's hospitality.—Auburn Granger.

About the Railroads.

The News is entitled to the cake. It says the railroads are cold-blooded and heartless and big verdicts against them in personal injury actions are not to be expected. This sage asservation is made in answer to our statement of the fact that no action of the kind in the history of this county has resulted in a recovery of more than \$1,000. We had, like most people, supposed that the jurors trying these cases had something to do in fixing the amount of the verdict, but the News is a very wise paper and probably knows best.

Since the new train service on the M. P. the Kansas City Daily Journal has become the leading daily in Falls City. It is printed at 4 o'clock in the morning and arrives in our city at 8:30 thus supplying our citizens with the latest news. The Sunday Journal contains all kinds of pictures. And twenty boys wanted to sell the Sunday Journal on the streets next Sunday. Call at Fred Beaulieu's for particulars.
