FALLS CITY - NEBRASKA

When a single pair of boll weevils propagate 134,000,000 other weevils during a single season, there isn't much to say to them on the evils of race suicide!

Do you suppose it was Uncle Russell Sage who persuaded the other Western Union directors to give up the \$5,000,000 income from the post-room service?

Even leap year is powerless to save chivalrous man from kneeling at the feet of the fair sex, for lo, the season of the Oxford and its persistently flopping ties is at hand.

The unwisdom of wearing a ring set with an oblong ruby worth \$15,000 has been demonstrated to Spencer Trask, the New York banker, who has just been robbed of one.

It is thought that the higher education for women has just about reached the limit in Boston, where the fair students are now clearing the high jump bar at 4 feet 4 inches.

The Emperor of Korea has bounced his favorite and deprived her of political power. The reports say she has been running things for ten years. That's what she gets for growing old.

A couple just married in St. Louis are going to try to lay up a competency for the future by living on 30 cents a day for the present. They will be spared the expense of entertaining much.

A New York banker has been sent to prison for nine years for stealing \$10,000. Evidently the New York courts have outlived the idea that a man's stealings should be overlooked if he takes enough.

Prof. Starr of Chicago university says this "miserable continent is not fit for the development of the highest type of animal life." Perhaps the professor has been compelled to lay in another ton of coal.

It is stated that Charles R. Flint of New York has bought two Chilean cruisers for \$5,500,000 and is dickering for a third. For a private individual Mr. Flint seems to be pretty well fixed in point of sea power.

The Journal of the Deceased, devoted entirely to obituary notices, is the latest newspaper venture in Paris. Undoubtedly, ethical considerations will impel the doctors to try to keep their names out of the paper.

Old seadogs report that the gull stream is running at unwonted speed. As soon as the political parties find out whether this is considered advantageous or not, they will either claim the credit or lay the blame on the other fellows.

"The best after-dinner speaker I ever heard," says Senator Depew, "was Gladstone at 80, and the next in order, in my opinion, was Simon Cameron at 90." Now, who has been so unkind as to remind our Chauncey that he was 70?

A Detroit judge has ruled that a man has a right to spank his wife if she is disobedient. The judge is a bachelor, but he needn't worry. It is safe to say that there's many a girl in Detroit now who would be willing to become his wife just for the purpose of teaching him a few things.

It makes us smile when we think of the school children trying to recite the history of the Japanese-Russian war a dozen years from now, and of the teachers trying to correct their pronunciation of the names.

STILL HAS FAITH

CZAR BELIEVES KUROPATKIN WILL BE SUCCESSFUL.

REPORTS OF THE ADVANCE

Story to the Effect That It Is Against the Japs Not Credited—Slav Troops Are Rapidly Being Transported Into Manchuria.

ST. PETERSBURG.—The best informed military circles attach no importance to the reports that General Kuropatkin has detached a large force from his army at Liao Yang and dispatched it southward to relieve Port Arthur, and it is distinctly denied that Emperor Nicholas personally ordered such a movement. It can be authoritatively stated that the emperor's confidence in Kuropatkin is unshaken, and his majesty is not attempting to interfere with his plan of campaign. While no such army has been dispatched southward, it is natural that Kuropatkin will do all possible to harass General Oku's rear. The railroad has been kept open as far as Vatan-gow, twenty-five miles above Kin Chou, and it is not unlikely that when the Japanese have failed to push through a line across the head of the Liao Tung peninsula that several thousand Russian troops may be sent down the railroad to impede the Japanese operations and inflict as much damage as possible, as these could easily be withdrawn by railroad if the enemy threatened to cut the line of communications above. Even the loss of a few regiments would be considered cheap if the Japanese operations against Port Arthur were thereby retarded for an appreciable time. However, it is realized that with the Japanese occupation of Port Dalny and Tallenwan as bases for landing siege guns, the small force above Kin Chou could accomplish but little, and it is now more likely to be withdrawn, destroying the railroad as it retires northward. For strategic purposes, Kuropatkin may be trying to make the Japanese believe that a movement southward is contemplated, in order to divert Kuroki's attention in that direction.

The impression is being thrown out in certain quarters here that Kuropatkin is about to take the offensive, and that an engagement with Kuroki is imminent. But, so far as can be ascertained, there is no solid foundation for this. It is unquestionable, however, that the railroad is pouring troops into Manchuria at the rate of almost 2,500 a day, and it will not be long at the present rate before the Russian commander-in-chief will be at least on equal terms with any force the enemy can bring against him.

The general staff is keeping very dark about the whereabouts and purposes of the Cossacks reported to be working around Kuroki's rear and the number of the raiders operating in Korea.

DENEEN GETS NOMINATION.

Deadlock in Republican Convention a Springfield Broken.

SPRINGFIELD, Ill.—By making a combination with Charles S. Deneen, L. Y. Sherman, Howland J. Hamlin and John H. Pierce, Governor Yates on Friday broke the deadlock in the republican state convention and brought about the nomination of Deneen for governor. The nomination was made on the seventy-ninth ballot, which stood: Yates, 1; Lowden, 522½; Deneen, 957½; Warner, 21.

The combination was the result of a series of conferences. The agreement had not been consummated when the convention met at 10 o'clock in the morning, and the Yates and Deneen people forced a recess until 2 p. m. Then the parties to the combination met and finally agreed upon Deneen as the candidate.

To be a successful wife, to retain the love and admiration of her husband should be a woman's constant study. Mrs. Brown and Mrs. Potts tell their stories for the benefit of all wives and mothers.

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound will make every mother well, strong, healthy and happy. I dragged through nine years of miserable existence, worn out with pain and weariness. I then noticed a statement of a woman troubled as I was, and the wonderful results she had had from your Vegetable Compound, and decided to try what it would do for me, and used it for three months. At the end of that time I was a different woman, the neighbors remarked it, and my husband fell in love with me all over again. It seemed like a new existence. I had been suffering with inflammation and falling of the womb, but your medicine cured that and built up my entire system, till I was indeed like a new woman.—Sincerely yours, MRS. CHAS. F. BROWN, 21 Cedar Terrace, Hot Springs, Ark., Vice President Mothers' Club."

Suffering women should not fail to profit by Mrs. Brown's experiences; just as surely as she was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure other women who suffer from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration. Read the story of Mrs. Potts to all mothers:—

"DEAR MRS. PINKHAM:—During the early part of my married life I was very delicate in health. I had two miscarriages, and both my husband and I felt very badly as we were anxious to have children. A neighbor who had been using Lydia E. Pinkham's Vegetable Compound advised me to try it, and I decided to do so. I soon felt that my appetite was increasing, the headaches gradually decreased and finally disappeared, and my general health improved. I felt as if new blood coursed through my veins, the sluggish tired feeling disappeared, and I became strong and well.

"Within a year after I became the mother of a strong healthy child, the joy of our home. You certainly have a splendid remedy, and I wish every mother knew of it.—Sincerely yours, MRS. ANNA POTTS, 510 Park Ave., Hot Springs, Ark."

If you feel that there is anything at all unusual or puzzling about your case, or if you wish confidential advice of the most experienced, write to Mrs. Pinkham, Lynn, Mass., and you will be advised free of charge.
