He is a very powerful and enthusiastic speaker and amply able to the task of interesting his audience. In the evening he addressed a good sized audience on "Abiding and Walking With Christ." He told his hearers many things for their benefit, and urged upon them the necessity of proving to the world that they are abiding in Christ by the way they live. He will be at this place again next Lords day preaching in the morning at 11 o'clock and in the evening at 8 o'clock. All are earnestly invited to attend.
