Judge Wilhite and wife left Monday evening for St. Louis. The Judge sent Jas. Whittaker down last week to hold Gorman-Hill-Bryan and other democratic leaders in shape until he could get to St. Louis. There was some fear that the proceedings of the Democratic National convention would be disorderly, but if the Judge can't line them up, they can't be lined.

We do not believe there is a town within a hundred miles that can duplicate the stocks carried by V. G. Lyford, F.W. Cleveland or Johnston & Sons. We saw nothing in Hiawatha to compare with them.

### Safeguard the Children.

Notwithstanding all that is done by boards of health and charitably inclined persons, the death rate among small children is very high during the hot weather of the summer months in the large cities. There is not probably one case of bowel complaint in a hundred, however, that could not be cured by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by A. G. Wanner.
