FALLS CITY - NEBRASKA

The house of Hoo-Hoo at the world's fair has been unconcatenated, as it were.

Baltimore has suppressed kissing in the public parks. Baltimore is still nervous about configurations.

And when Edward and William had finished their spels on peace the band struck up "Twas but a Dream."

The fellow who annoyed a monkey by giving him a lighted cigarette was lacking in brotherly consideration.

If you attend a "dawnce" in London, don't reverse, no matter how dizzy you get. It's exceedingly bad form.

Texas watermelons average one pound lighter this year. And once more the colored man gets it in the neck.

We are now getting around to the days when a man really feels more negligee than he looks—and that's a plenty.

Jan Kubelik has become the father of twins. We nominate him for vice-president of the Anti-Race Suicide association.

It is about time for Russia to receive another of those permissions to take her Black sea fleet out through the Dardanelles.

A Japanese magazine has been started. This will give the Jap generals and admirals something to do after the war is over.

This plan of having opera singers' voices insured may contain a valuable hint. Why not have the nerves of the theater-goers insured?

Recipe for popular campaign speech: Write your speech out carefully, forget it, and when you face your audience proceed to ramble.

Everyone who goes away on a vacation this summer ought to strive to write in his diary every night, "One more laugh on uncle Russell Sage."

New York is having a tailors' strike, but in these days when it is possible to get along with ready-made crash suits it is not necessary to work.

The country will now proceed to absorb the \$5,000 college graduate with the same ease and readiness with which it assimilates the \$10 immigrant.

The man who was fined \$10 and costs for beating a horse because it could not pull a broken automobile deserved all he got. He was adding injury to insult.

In Kansas City it is considered disorderly conduct for a man and woman to kiss in public. This will have a tendency to discourage immigration to the Missouri burg.

One point appears to have been settled conclusively by the Russo-Japanese war. It is that a diet of rice does not spoil a nation's appetite or capacity for fighting.

A number of Wilkesbarre teachers who were held guilty of flirting have been dismissed. No wonder it is hard to find enough young women to take charge of all our schools.

A New York man, while eating his breakfast the other morning, found a diamond in a boiled egg. Unfortunately, however, nobody has been able to find the hen that laid the egg.

LINER GOES DOWN

GREAT LOSS OF LIFE ATTENDS ITS SINKING.

EIGHT HUNDRED ON BOARD

Loaded with Danish and Norwegian Emigrants, Over Seven Hundred of Whom Are Believed to Have Been Drowned.

LONDON:—Over 700 Danish and Norwegian emigrants, bound for New York, are believed to have been drowned in the North Atlantic on June 28. Out of nearly 800 souls on board the Danish steamer Norge, which left Copenhagen June 22, only twenty-seven are known to be alive, and for the rest no hope is held out. When last seen the Norge was sinking where it struck on the islet of Rockall, whose isolated peak rises from a deadly Atlantic reef some 200 miles off the west coast of Scotland.

The steam trawler Sylvia put into Grimsby late Sunday night with twenty-seven rescued Scandinavians aboard. Only one of them could speak English. He said:

"We left Copenhagen June 22. There were 700 emigrants (Norwegians, Swedes, Danes and Finns, on board. The crew numbered about eighty. All went well until June 28. I lay in my bunk waiting for breakfast. We heard a little bump, then another bump, and then I rushed on deck. I saw at once that something serious had happened and I made a dash below to gather up my few belongings.

"Scores were rushing on deck and the hatchway was crowded with emigrants. They were launching boats and rushing into them, but there was no panic. Four or five were in the boat into which I got and we cleared the ship. Luckily for us in our party was the only seaman from the Norge who escaped, and he was able to navigate our little boat.

"We saw two other boats capsize owing to the heavy weather and because no one could navigate them. We made straight away and when we last saw the Norge a large number of emigrants were on the deck. Captain Gundel stood on the bridge.

"Dozens of passengers had jumped into the sea. They wore life belts, but were drowned before our eyes. After twenty-four hours the Salvia bore down and picked us up. About 700 passengers must have been drowned."

Later—Of 774 souls on board the Danish steamer Norge, 128, including Captain Gundel, are known to have been saved up to this hour. One of the children died in a lifeboat which brought others to safety. For the missing 646 persons small hopes are entertained.

In addition to the twenty-six persons who landed at Grimsey, 102 survivors of the Norge were landed at Stornoway, thirty-two by the British steamer Cervona and seventy by the German steamer Energie. They were all in a pitiful condition. Many were taken to a hospital and most of them had to be carried ashore.

Among those on board the Energie was Captain Gundel of the Norge. He said: "All went well until about 7:45 o'clock last Thursday. When about eighteen miles south of Rockall I felt the steamer strike heavily forward on a sunken rock. There was a gentle breeze blowing from the south, with a cloudy sky."

Tranquil at Port Arthur.

ST. PETERSBURG.—A dispatch received here from Mukden, under today's date says:

"According to communications from Port Arthur complete tranquillity prevails there. The inhabitants are so used to bombardments by the Japanese fleet that they make no impression, and public life pursues its normal course."

THE VICE PRESIDENCY.

Henry G. Davis of West Virginia Nominated by Acclamation.

ST. LOUIS—With the announcement of the nomination of Chief Justice Alton B. Parker early in the morning an adjournment was taken until afternoon, and the great convention hall was quickly emptied of its wearied delegates and spectators. The terrific strain of the night was over and there was a general movement in the direction of the hotels.

It was 5:37 when the afternoon session opened. A motion was made and adopted that speeches nominating candidates for the vice presidency be limited to ten minutes, that five minutes be allowed for seconding speeches and that the number be limited to three.

Roll call of states was then called for the presentation of candidates for vice president. Alabama was called several times with no response, but finally Mr. Russell of that state announced that Alabama would give way to Illinois.

Samuel Olschuler of Illinois arose and announced that Freeman Morris would speak for that state.

Mr. Morris took the platform to name James R. Williams of Illinois.

The roll call of states proceeded and when Nebraska was reached the response was a statement that it waited with interest the choice of New York. New York requested to be passed when called on the roll.

Maryland seconded the nomination of Davis of West Virginia.

At this point in the session there was uproar over rumors of a telegram that had been received from Judge Parker, nominee for the presidency, which Senator Cuthbertson of Texas and others thought ought to be considered before the convention went any further. The former said: "For reasons which are obvious to all the delegates here it seems to me that we ought not to proceed at this time to nominate a candidate for vice president."

Adjournment was thereupon taken. The leaders disappeared and the session closed with an atmosphere of tense expectancy as to what would occur when it reconvened at 8:30 p. m.

WATSON AND TIBBLES.

The Springfield Convention Chooses a Georgia and a Nebraska Editor.

SPRINGFIELD, Ill.—Thomas E. Watson of Georgia for president and Thomas H. Tibbles of Nebraska for vice president was the ticket nominated by the populist national convention. The names of William V. Allen of Nebraska and Samuel W. Williams of Indiana were also placed before the convention for president, but before the list of states had been completed in the roll call their names were withdrawn and Watson was nominated by acclamation. Former Senator Allen made good his word that he would not enter into any scramble for the nomination. While the nominations were being made he twice instructed the chairman of the Nebraska delegation to say that his name must not go before the convention. In the face of this, however, he received over forty votes.

Whether Mr. Watson will accept the nomination or not no one in the convention seems to know and all efforts to secure definite information failed. Watson was quoted as saying that if the democrats at St. Louis would nominate Hearst he would support him for president.

Williams of Indiana received only a few votes, soon withdrawing and moving to make Watson's nomination unanimous.

There were five nominations for vice president, Thomas H. Tibbles of Nebraska, Theodore B. Rynder of Pennsylvania, L. H. Weller of Iowa, George E. Washburn of Massachusetts and Samuel W. Williams of Indiana. The two latter declined and Tibbles received all the votes on the first ballot.

Send Millions to Greece.

The amount of money annually received in Greece from Greek emigrants to the United States is assuming proportions that have attracted the attention of the Greek government, bankers and public Greek officials estimate that over \$1,930,501.93 thus reached Greece during 1903.

To Remove Warts.

To remove a wart pour on it a drop of vinegar and then cover it with as much carbonate of soda as the vinegar will absorb. Keep it on ten minutes and repeat the application twice or three times daily. In a few days the wart generally drops off, leaving only a tiny white mark.

Imitation Chocolate.

Testimony in an English court showed that there is no chocolate in cheap "chocolate" candy. A substitute consisting of an extract of coconut oil is used for the "cream" and the outside is made from the ground husks of the cocoa bean, sugar and sago.

Wife for Six Shillings.

Wives in Tanganyika are considered a luxury, and even in Zululand they cost from £30 to £160; but on the Tanganyika Plateau one can be had for five or six goats. One goat equals 8d to 1s, therefore one wife equals 6s at the most.

Some stingy people think the pocket is the only place for a pocketbook.

The "belle" might in truth be called a "ring" leader.

WRONG TRACK

Had To Switch.

Even the most careful person is apt to get on the wrong track regarding food sometimes and has to switch over.

When the right food is selected the host of ails that come from improper food and drink disappear, even where the trouble has been of lifelong standing.

"From a child I was never strong and had a capricious appetite and I was allowed to eat whatever I fancied—rich cake, highly seasoned food, hot biscuit, etc.—so it was not surprising that my digestion was soon out of order and at the age of twenty-three I was on the verge of nervous prostration. I had no appetite and as I had been losing strength (because I didn't get nourishment in my daily food to repair the wear and tear on body and brain) I had no reserve force to fall back on, lost flesh rapidly and no medicine helped me.

"Then it was a wise physician ordered Grape-Nuts and cream and saw to it that I gave this food (new to me) a proper trial and it showed he knew what he was about, because I got better by bounds from the very first. That was in the summer and by winter I was in better health than ever before in my life, had gained in flesh and weight and felt like a new person altogether in mind as well as body, all due to nourishing and completely digestible food, Grape-Nuts.

"This happened three years ago and never since then have I had any but perfect health, for I stick to my Grape-Nuts food and cream and still think it delicious. I eat it every day. I never tire of this food and I can enjoy a saucer of Grape-Nuts and cream when nothing else satisfies my appetite and it's surprising how sustained and strong a small saucerful will make one feel for hours." Name given by Postum Co., Battle Creek, Mich.

True food that carries one along and "there's a reason." Grape-Nuts 10 days proves big things.
