Killed by Train.

John Mosiman who had been raking hay in a pasture across the B & M tracks, tied the team to the back of a wagon, from which they broke loose and started for home just as the passenger train whistled for the yards. The horses were struck and instantly killed by the train just as they were on the crossing.

Died.

Miss Angeline Van Gundy died at the home of her nephew, A. B. Everts, Friday evening, August 19th, after an illness of three weeks.

Miss Van Gundy was well known in this city, and her sudden taking away will be a surprise to her many friends. She was born in Chillicothe, Ross, Co., Ohio, May 3rd, 1862 but for many years has been a resident of Nebraska and the immediate vicinity of Falls City.

The funeral services were conducted at the residence where she died on Saturday afternoon at 3 o'clock by Rev. Pougéon, after which, the remains were shipped to Milton, Mo., for burial. Miss Van Gundy leaves to mourn her loss a father, sister and three brothers, also a large number of other relatives and friends.

Christian Church Services

Large crowds attended the services at the Christian church Sunday morning and evening. The pastor discoursed on the following subject in the morning, "The Love of God;" in the evening he used for his subject, "Man's Inhumanity To Man." He said that our apparent disregard for one another but displayed the real character of the individual, and was an outward display of the indwelling desire to be criminal, even though we had no real intention of being criminal. "Man's inhumanity to man" is as much in evidence today as it ever was; the most horrifying displays of it are made every day in our midsts, in society, business, politics and even in the churches. The cause of all this is the refusal on the part of the people to adopt the Golden Rule, a rule that can be adopted by any and all classes of people; we have been practicing the Silver Rule long enough—"Do others and do them plenty while you are at it," and it is high time that we realized that fact and changed our tactics.

Services as usual next Sunday, to which you are cordially invited. Come and bring your friends with you. The people who attended the morning services were favored with a rare treat in the form of a violin solo which was rendered by Miss Alice Cleaver; the rendition was all that could be asked, and was highly appreciated by those who heard it.

Died.

Thompson George Brown, at his home in Falls City, Sunday August 21st, after a lingering illness.

Mr. Brown had been ailing since last February, and all that Medical Science could, was of no avail; he passed out of this life in his 63rd year, and left to mourn their loss, three children, two daughters and one son.

Mr. Brown was born in the state of Pennsylvania, Feb. 21st 1841, but for a number of years was a resident of this state.

He was a member of the G. A. R., and the Odd Fellows, and was held in very high esteem by those orders.

The funeral services were conducted in the home of the deceased, Monday night at 12 o'clock, and were under the supervision of Rev. Pougéon, pastor of the First Christian church.

After the services, the orders of which the deceased was a member took charge of the remains and escorted them to the depot where they were placed aboard the train and shipped to

Shickley, Neb., and consigned to their last resting place.

Thus it is, we are passing one by one to that bourn from whence no traveler has as yet returned, to solve the mysterious problem that confronts us in death.
