Don't you know that Defiance Starch besides being absolutely superior to any other, it put up 16 ounces in packages and sells at same price as 12-ounce packages of other kinds?

A man may often thank his lucky stars that he can't take the woman who is presented to him.

Storekeepers report that the extra quantity, together with the superior quality of Defiance Starch makes it next to impossible to sell any other brand.

#### Steam Turbine for Pumps.

The steam turbine principle has been adapted to a centrifugal high-pressure pump. The action is reversed, however the water entering at what would be the exhaust end, gradually accelerating as it passes through the several fixed and movable vanes, until it acquires a high velocity at what would ordinarily be the outlet end.

#### Irrigation in Kansas.

Great state, Kansas! There is neither a mountain nor a marsh in all her length and breadth of 82,000 square miles. One-third of her area is almost a barren steppe, owing to lack of rain. Irrigation will make the dry prairies a veritable "garden of the west," raise the Kansas corn crop to 300,000,000 bushels and increase her live stock valuation to \$180,000,000.—New York Press.

#### Earrings Indicate Nativity.

The earrings worn by Italian organ-grinding women indicate the part of Italy the wearers come from. The longer the earrings the farther south the original homes of the women. In the far north the ornaments are quite short.

#### Instead of Wedding Cake.

In place of wedding cake in Holland wedding sweets are given—"bruidzuikers" they are called. They are handed round by children and are served in flower-trimmed baskets.

#### AS EASY

#### Needs Only a Little Thinking.

The food of childhood often decides whether one is to grow up well nourished and healthy or weak and sickly from improper food.

It's just as easy to be one as the other provided we get a proper start.

A wise physician like the Denver Doctor who knew about food, can accomplish wonders provided the patient is willing to help and will eat only proper food.

Speaking of this case the Mother said her little four year old boy was suffering from a peculiar derangement of the stomach, liver and kidneys and his feet became so swollen he couldn't take a step. "We called a Doctor who said at once we must be very careful as to his diet as improper food was the only cause of his sickness. Sugar especially, he forbid.

"So the Dr. made up a diet and the principal food he prescribed was Grape-Nuts and the boy, who was very fond of sweet things took the Grape-Nuts readily without adding any sugar. (Dr. explained that the sweet in Grape-Nuts is not at all like cane or beet sugar but is the natural sweet of the grains.)

"We saw big improvement inside a few days and now Grape-Nuts are almost his only food and he is once more a healthy, happy, rosy-cheeked youngster with every prospect to grow up into a strong healthy man." Name given by Postum Co., Battle Creek, Mich.

The sweet of Grape-Nuts is the Nature-sweet known as Post Sugar, not digested in the liver like ordinary sugar, but pre-digested. Feed the youngsters a handful of Grape-Nuts when Nature demands sweet and prompts them to call for sugar.

There's a reason.

Last spring Governor Odell met an old friend of his up in Newburg, his home town, and immediately asked how he was getting along on the airship he had been working on for years. The inventor had become disgusted with his mechanical progress, and when the governor asked if the machine was a complete success he replied: "Well, not quite yet. I have two things to accomplish before I can say it is." "What are they?" asked the governor. "I have to find out how to get my machine up in the air and how to keep it there."

As there is a law against burying in the city of Albany, the bishop had to have a special act of the legislature to be buried in the cathedral. He was successful in having the act pass the lawmakers, but his friends were astounded and worried when they read its text. It began with the usual verbiage. The ending was something like this: "We do grant that Bishop Doane be buried within the precincts of the city of Albany. This act to take effect immediately."
