Supervisors Convention.

The supervisors convention for the first district was held at Williamson's hall in Barada, Monday afternoon. There was no contest as it seemed the unanimous opinion that Chris Madowse of Arago was the one destined to wear the shoes of Charles Santo. Consequently Mr. Madowse was nominated on the first ballot. This is a splendid nomination and meets with the approval of the republicans generally.

After the convention had adjourned the republicans of North and South Barada organized a Roosevelt-Fairbanks club. Chas. Martin was elected president; E. W. Nixon, secretary; A. W. Smith treasurer. Fifty names were enrolled and soliciting committees appointed to secure if possible the signatures of every Roosevelt man in the two precincts. This organization will be a power in the north part of the county and under the leadership of its splendid officers will assist greatly in rallying up an old time republican majority in the two Baradas.

A three weeks meeting will be held at the Baptist church. Mr. and Mrs. Selinger will have charge. All are welcome.

Dr. Taylor, Ophthalmologist

If you have Headache, Nervousness, Blurring or Watery Eyes, floating specks, dizziness, weak memory, etc.

CONSULT DR. TAYLOR

The exhaustion of the nerve supply caused by eye strain is the cause of such troubles. I measure the eye and its nerve supply by the science of Ophthalmology, and can tell the amount of drain and strain on the nervous system, and by my methods of fitting and adjusting glasses remove the cause and all symptoms of eye strain and nature does the rest. If you have glasses that do not stop such trouble they are not properly fitted. Cross Eyes straightened without operation or drugs.

CHILDREN'S EYES—If your boy or girl complains of headache or if the teacher tell they are dull in their studies; many a child has been considered dull in school when the truth was that because of eye defects, blurred vision or headache it became an agony to study. Don't blame the child before you know. Our examination tells. Consultation free.
