

Colts Victorious.

The Fourth of July is merely a memory with Troy since the game Sunday afternoon. The visitors succeeded in running in two scores during the first inning but this was bottled up for further use when Falls City chalked down three in the same inning.

Foster went to first and two-stepped down to second when Poteet took up the lath and landed the ball for three bases and Foster trotted home. Fode walked to first: Tom came home and Glines was good for first while Paxton handed out a little single which brought Fochlinger in second inning was zero weather with nothing doing on the score book. In third Troy ran in two quality marks and rested after an unusual exertion.

In the same inning Poteet walked to first and stole second when Fode came in with a well timed two base hit and Tom wandered home, Glines took first and Fode came home. This put the game 5 to 4 in favor of Falls City and they all kept still for the next four innings but Troy got up a little ginger and run in another mark. This tied the score until the last half of the ninth when Gus knocked a lovely two bagger while Fode took the track for him. Sears put a good one to the wilderness and Fode came in for the gravy.

When it comes to ball playing Troy had to sit down in the shade and fan itself and we hope they are satisfied that they can't touch the Falls City colts in a good fair game. Our unequalled battery, Ruegge and Poteet are always there while the support given them by the entire team can't be beat. Scores were run in by Poteet, Foster and Fochlinger. Game by innings.

A Worthy Undertaking.

Members of Sorosis are circulating a petition this week which will be presented to the council asking them to provide some means of proper sanitation for the city, by keeping the streets and alleys in better condition. The petition is being quite generally signed by the business men and property owners of the city. This is a good move and we have no doubt much good will be accomplished thereby, as this organization is well known for its push and energy in anything it undertakes and such a worthy undertaking as this will certainly not meet with failure.

Broken Leg.

Mr. Joseph Rogers of Bedford, Mass. an employ of Barnum & Bailey's circus Bo., while helping

to load a wagon onto a car in the B. & M. yards sustained a broken leg. The chain fastened to the tongue of the wagon broke letting the tongue turn around side ways, which struck Mr. Rogers just below the right knee, breaking the bone. The injured man was taken to the Mercy hospital and the bone set by Drs. Houston and Wiser under whose care Mr. Rogers is steadily improving.

Hit By a Bat.

While playing base ball on the school grounds Monday, Ray Hanna was struck in the face by the bat receiving a severe wound. He was standing just behind the bat and when one of his play-mates swung at the ball, young Hanna received the full force of the blow.

Married.

Thursday afternoon Sept. 22. Clyde Davis and Minnie Shaw were united in marriage, Judge Whilite tying the knot. Although the marriage was a very quiet affair the fact leaked out in a few hours.

The bride is a daughter of Henry Shaw and is well known in this city where she has lived the past four or five years. The groom is a son of H. C. Davis, editor of the Falls City News and enjoys a wide acquaintance.

Mr. and Mrs. Davis left on the afternoon train for Omaha. The Tribune joins their many friends in extending sincere congratulations.
