Whitaker Brother's Excursion.

If you want 10 per cent on your money or if you are renting it will pay you to come and go with us on October 4 to Jewell, Mitchell and Lincoln counties, Kas., the great WHEAT, CORN and ALFALFA BELT of KANSAS, the R. R. fare is only \$11.65 for the round trip, good 21 days to return. Now is a good time to look at land while the crop is growing and the weather is nice. We have propositions like this: 320 a. all well fenced, pretty good buildings, 300 a. in cultivation, all bottom land except 20 a., 240 a in corn that will make 35 to 50 per bu. per a., close to R. R. market at \$23.50 per a.; \$1,000 cash, balance at 6 per cent 5 years can pay any or all at any time. Figure this in wheat at 20 bu. per a. and see what it will make you at 90c per bu. as this is what it is selling for down there. We seen Mr. Wilson Korner's draft this week from his wheat crop off his farm of 240 a., 2 counties south of Lincoln Co. This draft was for \$1,974, this was clear of all expense. and he gets 1/3 of 20 a of corn and 10 a of oats, and he got \$30 for his interest in the pasture. This is more than he will make in 4 years off of his 1/4 near Falls City. We have 1/4's and 80's ranging in price as the above 320. Why pay rent or loan your money at 5 and 6 per cent. Don't fail to come and talk this over with us and if you decide to go with us on October 4, drop us a card stating that you will go on the above date, or call us up over Phones No. 168 or 216 at our evpense.
