

HALL & GREENWALDS SHOE PARLOR

We have a larger and better selected stock of Shoes and Hosiery for the trade this fall than we have ever had before. Since we have been in the shoe business it has been our strongest effort to furnish the trade the best to be had in the United States. We have tried to have all our customers report to us how the shoes wore they got from us and when we

learned a certain shoe was not giving satisfaction we quit buying and quit selling it and when we learned that a certain shoe was giving good wear and good satisfaction we bought it again. Now we feel that everything in its respective class is the very best to be had and we say to you "We guarantee satisfaction or agree to make right every thing that goes wrong." If you are not a customer of ours come in and give us a trial. See if we make our word good. Our trade is growing and we know it is because we are putting out good strong solid shoes. Come in and try our Hosiery too. It is better and cheaper than anywhere else.

Yours Respectfully,

HALL & GREENWALD
