

# NEARLY ONE WAY

**ROOSEVELT CARRIES ALL THE NORTHERN STATES.**

## ALSO BREAKS THE SOLID SOUTH

His Electoral Vote as Now Figured Will Be 343, or 104 More Than Needed—Maryland and Missouri Both Choose Republican Electors.

NEW YORK—The plurality of the president in the nation, according to all indications will exceed 1,500,000—the greatest plurality ever given an American candidate. The nearest approach to this vote was in 1896, when McKinley received a plurality approximating 860,000, and in 1872, when Grant received 620,991 plurality. The interest centers in Missouri and Maryland. Late returns indicate that the former state is in the republican column so far as presidential electors are concerned, but that Joseph W. Folk, the democratic candidate has been elected governor. The republicans elect eight of the sixteen congressmen. In Maryland the presidential vote will probably be cast for President Roosevelt. Late returns indicate that Thomas A. Smith (dem.) has been elected to congress in the first district by 450 plurality. Congressman Jackson of this district, however, puts forward a claim of trick ballots and fraud and says he will contest the election. In the other states it is simply a question of pluralities.

The "solid south" was broken by the probable defection of Missouri—this section of the country usually having thirteen states in the democratic column. The figures show but twelve states, with 133 votes for Judge Parker.

President Roosevelt carried all the northern states—swept them, in fact—and today he had 343 electoral votes.

The banner state is Pennsylvania. Twenty-four hours after the polls closed the returns from this state indicated that Roosevelt's plurality would reach 485,000. Next came Illinois where the president polled approximately 225,000 votes more than did Judge Parker. The New York City returns are still incomplete, but the amazement over the result has not subsided. Judge Parker carried greater New York by over 41,000.

### PARKER HAS HAD ENOUGH

Will Never Seek a Public Office Again.

ESOPUS N. Y.—Judge Parker last night gave to the press an open letter addressed to "The Democracy of the Nation," in which he thanked those in charge of his campaign work and declared that the people will soon realize that "the tariffed trusts are absorbing the wealth of the nation." He said that when that time comes the people will turn to the democratic party for relief. In this letter Judge Parker says he shall never seek a nomination nor public office. He discusses the difficulties encountered by the democrats in making their campaign this year and makes suggestions on harmony in the party. Concluding the judge says he does not hesitate to say that the great moral question that confronts the democrats is "shall the trusts and corporations be prevented from contributing money to control or to aid in controlling elections?"

The telegraph office at Rosemount lodge was dismantled after the day's business. Judge Parker said that his plans for the future were not definitely made, but that soon he would be in harness again. It is generally believed here that he will engage in the practice of law in New York, forming a partnership with some well established firm.

### PEABODY IS ONLY ONE LOST.

Republicans Sweep Colorado with Exception of Governor.

DENVER—The News (dem.) Friday says: While the returns on the vote for state offices, apart from governor, are far from complete, the News has compiled tables that seem to show the election of the entire republican state ticket, except Peabody, and of the three republican congressmen. A considerable number of counties are estimated on the best possible advices and there is a chance that Mrs. Grenfeld, democratic candidate for state superintendent of public instruction, may pull through on the scratch vote in her favor.

The state senate is democratic by a good majority, but the complexion of the house is in doubt.

The plurality of Adams over Peabody for governor amounts to 9,646.

### Thanksgiving Proclamation.

LINCOLN, Neb.—Governor Mickey, following the example of the president, has set apart Thursday, November 24, as a day of thanksgiving and has issued a proclamation accordingly.
