

BREAKS THE RECORD

A TWENTIETH CENTURY FLYER IN THE MEDICAL FIELD.

Rheumatism Rapidly and Radically Cured. Quick Work of a Famous Remedy.

Convenience, comfort, safety, speed are demanded by the traveling public in our rapid century and the keenest intellects constantly at work on these problems are making wonderful progress in the construction of the steamship and the locomotive. Like results are sought in medicines and Dr. Williams' Pink Pills for Pale People are astonishing the world by the triumphs they are winning in the rapid cure of obstinate maladies, such as rheumatism. With speed they combine convenience, perfect safety and cheapness.

Here is fresh proof of their concentrated virtues: Mrs. Margaret Gantz, of No. 1527 Bodeman street, Burlington, Iowa, is an industrious German woman, who about two and a half years ago found herself in danger of losing her power to work altogether. She says: "I got rheumatism which made my knees and elbows very stiff and painful. I had difficulty in raising my arms and I could hardly lift my feet over my doorstep. I ought to have gone to bed, but I couldn't afford to do that, so I forced myself to work in spite of the pain and stiffness. After suffering for about six months, I was told about Dr. Williams' Pink Pills for Pale People by a friend, who said she had been cured by them. On her advice, I bought one box and in two weeks after I began to use them I was well and I have had no need to use them now for nearly two years. Dr. Williams' Pink Pills are a good medicine and if I ever have rheumatism again I will get a box right away. I have told many friends what they did for me and I am glad to have everybody know."

This is valuable news to all who suffer from rheumatism. These pills have also cured stubborn cases of locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, nervous headache, palpitation of the heart and all forms of weakness in male or female.

They are sold by all druggists, or will be sent directly from the Dr. Williams Medicine Co., Schenectady, N. Y., on receipt of the price, fifty cents per box; six boxes for two dollars and a half. Look for the full name on every box.

A man whose ideals are beneath him will soon be beneath his ideals.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
