Rush Sale.

The mortgage sale of Dr. Rush's goods was held Saturday afternoon. All of his professional library, drugs, instruments and other personal property were auctioned in approved style by Sheriff Hossack. The total sum realized from the sale, including what was received from the sale of his horse and buggy was \$243.

The mortgage was held by O. R. Rush of Cass County a half brother, and was for \$600.00. A great deal of the property included in the mortgage was sold by Dr. Rush and some of it was taken away by him. Young Rush who will lose several hundred dollars through the conduct of the doctor refuses to entertain any suggestion looking to the prosecution of his half brother.

Womans Exchange.

The womans exchange conducted by the ladies of the Methodist church has proven a great success. Every Saturday afternoon the provisions placed in the window of W. S. Korner's hardware store proved so tempting that there is an almost instant sale for them. This exchange of home made cookery fills a long felt want.

How About This?

The Central school team went to Falls City and played the Central team there Saturday. The Hiawatha boys claim Falls City ran in a lot of outsiders on them, only four boys on the team being central school students. The score was 0 to 0, but the Hiawatha boys are sure they would have beaten if they had a fair deal.—Hiawatha World.

Christmas Windows.

Those who fail to visit Falls City between now and Christmas will miss seeing some very beautiful display windows. The local merchants made a special effort at window decorating this year and the windows were never so pretty as they are now. Falls City has become the market for the holiday trade of the county and the merchants have never before laid in such stocks of Christmas goods as are now on display.

RECTOR OF ST. LUKE'S.

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

ASHBURNHAM, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once produced a sample bottle and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-send remedy. Respectfully yours,

E. A. Langfeldt, M. A.,

Rector of St. Luke's Church.
