A Humboldt teacher gave out this problem to her class—"If four gallons of beer will fill 32 pint bottles, how many pint-and-a-half bottles will nine gallons fill?" One little boy took the problem home to work and the next day brought a note to the teacher from his father which said, "We tried to work the example but I don't know whether we got it right or not. I got the beer and we filled the bottles and it made nineteen. We spilled some of the beer and this answer may be wrong. Next time make it water, beer costs too much. Query—Living in Humboldt where did he get the beer."

RECTOR OF ST. LUKE'S.

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

ASHBURNHAM, Ont., April 18, 1903.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once produced a sample bottle and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day. I know that this rapid and effective cure was due to Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God-send remedy. Respectfully yours,
E. A. Langfeldt, M. A.,
Rector of St. Luke's Church.
