**It Rained.**

This is how the junior reporter does it in some of the country newspapers: He was asked to write a paragraph mentioning the fact that it had recently rained, and this is what he let loose: "After many days of arid desiccation, the vapory captains marshaled their thundering hosts and poured out upon scorching humanity and the thoroughly incinerate vegetarian a few inches of aqua pluvialis."

**Cold Storage.**

The cold storage of fruit has grown to large proportions, nearly 3,000,000 barrels of apples having been stored in the United States during the last winter as a result of investigations during the last year. It is found that the condition in which the fruit is grown and the manner of handling it determine to a large extent its keeping quality and ultimate value.

**British Army Red Tape.**

A good idea of the extent to which red tape is carried by the British army is given by the following paragraph from recent station orders at Aden: "Stationery—589. The G. O. C. sanctioned the purchase locally of a bottle of red ink under the financial powers granted to him in A. R. 1. (Army Regulations, India). Vol. III, Para. 6 (ii) and 7 (ii)."

**Facts About Mahogany.**

The United States is not a mahogany growing country, unless Cuba may now be said to be a part of the United States. It is a tropical wood. Its home is in Central America and in Cuba, Jamaica and Santo Domingo. These islands, says the Mississippi Valley Lumberman, give the smallest but heaviest and prettiest wood.

**Divers Get Mess of Sprats.**

While a diving bell seventeen feet in diameter was being lowered at the government harbor works, Dover, the other day, it passed through a shoal of sprats and a thousand of the fish were caught in the bell and carried down to the sea bottom, where the divers secured them.

**Tree That Should Pay Rent.**

Probably the most costly tree in the world is the plane tree which grows in Wood street, in the city of London. It occupies space which would bring in a rental of \$1,250 per annum and this capitalized at thirty years' purchase gives a value of \$37,500.

**Pretty Custom is Japanese.**

The custom of sending New Year cards originally came from the mikado's kingdom. More than one hundred and fifty years ago the art of making and the custom of exchanging beautifully illuminated little works of art became the fashion.

**More Flexible and Lasting.**

won't shake out or blow out; by using Defiance Starch you obtain better results than possible with any other brand and one-third more for same money.

A retiring disposition is not the best thing for a Christian soldier.

**Insist on Getting It.**

Some grocers say they don't keep Defiance Starch because they have a stock in hand of 12-ounce brands, which they know cannot be sold to a customer who has once used the 16-ounce package. Defiance Starch for same money.

No chronos or cheap premiums, but a better quality and one-third more of Defiance Starch for the same price of other starches.

The Bible proves itself supernatural by its simple naturalness.

**SUFFERED FROM CATARRH OF LUNGS SO COMMON IN WINTER. CURED BY PE-RU-NA.**

MRS. H. E. ADAMS

**A COLD ON THE LUNGS THREATENS TO BECOME SERIOUS.**

**Pe-ru-na Brings Speedy Relief.**

Mrs. H. E. Adams, Ex-President Palmetto Club, of New Orleans, La., writes from 110 Garfield Court, South Bend, Ind., as follows:

"I am pleased to endorse Peruna, as I took it about a year ago and it soon brought me relief from a cold on my lungs which threatened to be serious."

"The lungs were sore and inflamed, I coughed a couple of hours every night, and I felt that something must be done before my lungs became affected."

"Peruna was suggested by some of my friends who had used it, and acting upon their advice I tried it and found that it was able to bring about a speedy cure. You have my highest endorsement and thanks for the good it did me."

**Sounding the Praises of Peruna.**

Mrs. Frances Wilson, 32 Nelson St., Clinton, Mass., writes:

"Had you seen me at the time of my illness and now, you would not wonder that I take delight in sounding the praises of Peruna."

"My ailment was a severe cold which attacked the bronchial tubes and lungs."

"I followed your special directions and after using six bottles of Peruna, I was on my feet again. I think Peruna a wonderful medicine."

**A PLAIN TALK On a Plain Subject in Plain Language.**

The coming winter will cause at least one-half of the women to have catarrh, colds, coughs, pneumonia or consumption. Thousands of women will lose their lives and tens of thousands will acquire some chronic ailment from which they will never recover.

Unless you take the necessary precautions, the chances are that you (who read this) will be one of the unfortunate ones. Little or no risk need be run if Peruna is kept in the house and at the first appearance of any symptom of catarrh taken as directed on the bottle.

Peruna is a safeguard, a preventative, a specific, a cure for all cases of catarrh, acute and chronic, coughs, colds, consumption, etc.
