Testing the Richness of Milk.

Dairymen abroad have been experimenting for the purpose of determining which yield of milk, the morning or evening, is the richer of the two. The decision was in favor of the evening milk being the richer, both for butter and cheese making qualities. The milk of cows fed on ground feed in winter was richer than that produced by the same cows from grass in the summer.

Happiness in Poetry.

There are so many holy and tender emotions flying about in our inward world, which, like angels, can never assume the body of an outward act; so many rich and lovely flowers spring up which bear no seed, that it is a happiness poetry was invented, which receives into its limbers all these incorporeal spirits, and the perfume of all these flowers.—Jean Paul Richter.

Modern Surgical Methods.

The use of the needle and thread in closing wounds has come to be a fine art. In former days the surgeons were mere bunglers, and most wounds left hideous scars. But at the present day the manner in which arteries are ligatured, tendons spliced, intestines sutured and wounds closed is the foundation of success, no skilled use of the scalpel taking its place.

The Simple Life in Gotham.

After all, the simple life is widespread here. We do nothing but labor to get a few dollars to pay the office-holders. Political bosses do all our thinking for us, so we have no cares along that line, but simply work and sleep until it's time to go to the poor-house. Surely nothing could be simpler.—New York Telegram.

Mrs. L. C. Glover, Vice Pres. Milwaukee, Wis., Business Woman's Association, is another one of the million women who have been restored to health by using **Lydia E. Pinkham's Vegetable Compound.**

"DEAR MRS. PINKHAM: I was married for several years and no children blessed my home. The doctor said I had a complication of female troubles and I could not have any children unless I could be cured. He tried to cure me, but after experimenting for several months, my husband became disgusted, and one night when we noticed a testimonial of a woman who had been cured of similar trouble through the use of **Lydia E. Pinkham's Vegetable Compound**, he went out and bought a bottle for me. I used your medicine for three and one half months, improving steadily in health, and in twenty-two months a child came. I cannot fully express the joy and thankfulness that is in my heart. Our home is a different place now, as we have something to live for, and all the credit is due to **Lydia E. Pinkham's Vegetable Compound**. Yours very sincerely, MRS. L. C. GLOVER, 614 Grove St., Milwaukee, Wis." Vice President, Milwaukee Business Woman's Ass'n.

Women should not fall to profit by the experience of these two women; just as surely as they were cured of the troubles enumerated in their letters, just so certainly will **Lydia E. Pinkham's Vegetable Compound** cure others who suffer from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration; remember that it is **Lydia E. Pinkham's Vegetable Compound** that is curing women, and don't allow any druggist to sell you anything else in its place.

An Indiana Lady Tells of a Wonderful Cure:—

"DEAR MRS. PINKHAM: It is a pleasure for me to write and tell what your wonderful medicine has done for me. I was sick for three years with change of life, and my physician thought a cancerous condition of the womb. During these three years I suffered untold agony.

"I cannot find words in which to express my bad feelings. I did not expect to ever see another well day. I read some of the testimonials recommending your medicine and decided to write to you and give your treatment a trial.

"Before I had taken half a bottle of **Lydia E. Pinkham's Vegetable Compound**, I began to sleep. I have taken now six bottles and am so well I can do all kinds of work."—MRS. LIZZIE HINKLE, Salem, Ind.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She can surely help you, for no person in America can speak from a wider experience in treating female ills. Address is Lynn, Mass.; her advice is free and always helpful.
