Senator Burkett

Elmer J. Burkett was elected by the legislature Wednesday of this week to the highest office in the gift of the people of the state of Nebraska, United States Senator. Mr. Burkett received the vote of every republican member of the legislature save a representative from Douglas county.

Senator Burkett addressed the legislature after election and stated that he would stand with the President on the inter state comerce idea or anything else that the President desired in the interest of the people. When the Senator came to that portion of of his address when he spoke of the loyalty of the people of the first district he was so effected that it was with difficulty that he proceeded. He made a splendid impression and his friends from Richardson county who witnessed the proceedings were very proud of Nebraska's new senator.

#### R. E. Grinstead Named.

Representatives from the five southeastern counties of the state met in Auburn last Friday evening and organized the southeastern Nebraska fruit growers association. Officers were elected and a committee of five, one from each county was appointed. This committee to act with like associations in eastern Nebraska to wait upon the proper railroad officials to ask relief from discriminating freight rates and also to look after legislative matters. R. E. Grinstead represents Richardson County on this committee and he is a man well fitted to push the work.

#### Miss Lorence Munson.

As a public reader and impersonator Miss Mumson is certainly most successful and no one should miss the opportunity of hearing her. Miss Munson will recite at the Baptist church on Thursday evening February, 2nd, under the auspice of the Ladies Aid Society. Let every person attend.

#### Runaway.

Saturday afternoon the front part of the delivery wagon belonging to Johnston & Sons became uncoupled in front of John Crook's residence permitting the back of the vevicle to fall to the ground. The horse became frightened and breaking loose started on a swift run, but was caught before any more damage was suffered.

#### Musical

The musical given at the High School last Thursday night although not so well attended as it would have been, had the weather been more pleasant, was excellent. The programs rendered by the students of the High school are always creditable and this one was of the usual standard.

As Ed Schuler was driving home in his buggy from town on Saturday afternoon, he was run into by Fred Miller, one of his neighbors, who it seems held a grudge against him. Miller being drunk, thought it a good time to even up with Schuler, and drove into Schuler from behind, his horse shying off sidewise broke down one of Schulers hind wheels and threw Schuler out. From words they soon came to blows, Miller, who is a large man, was too drunk to handle himself freely, so that Schuler, a small man, gave Miller such a sound drubbing, that Miller had to keep his bed for several days, and is now nursing a lame leg, and a crippled finger. To cap the climax, Miller was arrested' and fined in Judge Cleavers court to the amount of \$12.60.

## Full Measure

Not only during this week, but also during the 51 other weeks of the year, is a rule with this coal yard. Full measure means not only full weight, but 2,000 pounds of clean coal, full of heat. More heat means more satisfaction, less coal, smaller expenses for fuel.
