

# WHEN YOU CATCH COLD

Do not take chances on it wearing away or experiment with some unknown preparation which may leave the bronchial tubes and lungs weakened and susceptible to attack from the germs of Pneumonia or Consumption.

# FOLEY'S HONEY AND TAR

not only stops the cough but heals and strengthens the lungs and prevents serious results from a cold. Contains no opiates.

### It Saved His Life After the Doctor Said He Had Consumption.

W. R. Davis, Vissalia, California, writes: "There is no doubt but what *Foley's Honey and Tar* saved my life. I had an awful cough on my lungs and the doctor told me I had consumption. I commenced taking *Foley's Honey and Tar* and found relief from the first and three bottles cured me completely."

### A Policeman's Testimony.

J. N. Patterson, night policeman, of Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least a half-dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended *Foley's Honey and Tar* and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world."

Three sizes—25c, 50c and \$1.00. The 50-cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much. **Refuse Substitutes.**
