

PROVES GREAT POWER

When Regular Medical Treatment Failed, Dr. Williams' Pink Pills Cured Her Rheumatism.

Hundreds of people afflicted with rheumatism have spent years under the care of excellent physicians in vain. Then they have settled down to the conviction that it is fastened on them for life. Mrs. Dinsmore was not willing to join the ranks of the hopeless merely because her doctor did not know how to help her. Here is her story:

"Four years ago I suffered greatly with rheumatism in my hands and knees. After I had been sitting a while my limbs seemed so heavy I could hardly walk on the first attempt. So long as I kept moving I was all right, but just as soon as I stopped, something seemed to settle in my knees and make them ache. My hands were so bad I couldn't touch the palms of them on a flat surface; they were swollen and pained so."

"Did you call in a physician?"
"I doctored steadily for over a year; then one doctor said: 'You have taken medicine strong enough to kill almost anything.' Still, it did not kill me nor the rheumatism."

"How, then, did you get rid of it?"
"At different times I had read in various publications about Dr. Williams' wonderful Pink Pills for Pale People, and I finally decided to try them. I took them steadily for four months in accordance with the directions. By that time I was completely cured."

"Have you been free from it ever since?"

"Since then I have had but one slight return of my trouble, and a box or two of the same pills made me all right again."

Mrs. F. A. Dinsmore lives in hearty enjoyment of her recovered health at Woburn, Mass., entirely freed from the grave anxieties that rheumatism always brings. When it appears in but a single joint it shows that the blood is in a faulty state in the whole body. It may at any moment break out elsewhere, and one of the dangers is that it may break out in the heart and then the result must be fatal. The only security is to keep the blood all the time in a perfectly sound condition.

Dr. Williams' Pink Pills make healthy blood. All other relief is superficial. This is thorough. These pills are sold by all druggists.

Mrs. P. Hackett, of 400 Van Buren St., Brooklyn, N. Y., says: "I wish to give thanks for the marvelous cure of my mother by Cuticura. She had a severe ulcer, which physicians had pronounced incurable. It was a terrible disfigurement, and people would stand in amazement and look after her. After there was no hope from doctors she began using Cuticura Soap, Ointment, and Pills, and now, thank God, she is completely cured, and her face is as smooth and clear as ever."

How many beautiful young girls develop into worn, listless and hopeless women, simply because sufficient attention has not been paid to their physical development. No woman is exempt from physical weakness and periodic pain, and young girls just budding into womanhood should be carefully guided physically as well as morally.

If you know of any young lady who is sick, and needs motherly advice, ask her to write to Mrs. Pinkham at Lynn, Mass., who will give her advice free, from a source of knowledge which is unequalled in the country. Do not hesitate about stating details which one may not like to talk about, and which are essential for a full understanding of the case.

Miss Hannah E. Mershon, Collingswood, N. J., says:

"I thought I would write and tell you that, by following your kind advice, I feel like a new person. I was always thin and delicate, and so weak that I could hardly do anything. Menstruation was irregular. I tried a bottle of your Vegetable Compound and began to feel better right away. I continued its use, and am now well and strong, and menstruate regularly. I cannot say enough for what your medicine did for me."
