Origin of the Maxim Gun.

Vanity Fair, in the letterpress accompanying its cartoons of Sir Hiram Maxim, says that he first thought of the Maxim gun by receiving a jar on the shoulder at the firing of an old rifle. "It seemed a pity that the kick should be wasted. Therefore he put the recoil to work in automatic loading and firing at the rate of a thousand shots a minute."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, etc. Take Hall's Family Pills for constipation.

As daylight can be seen through very small holes, so little things will illustrate a person's character. Indeed, character consists in little acts well and honorably performed, daily life being the quarry from which we build it up, and rough-hew the habits which form it.—Samuel Smiles.

Among those who have received the highest award—the Grand Prize—at St. Louis World's Fair, was the A. J. Tower Co., the makers of the FISH BRAND SLICKERS. Many of our readers who went to the Fair, will recall their fine exhibit in which waterproof garments were shown adapted to so many uses that almost every department of the world's work was suggested. The Grand Prize was a deserved tribute to one of the oldest manufacturing concerns in the country.

The man who puts his heart into his work will always get ahead in it.

A Phenomenon.

"Your husband ain't very industrious, is he?" said the woman who was sitting in the sleigh in front of the village store.

"Well," answered the woman in the spring wagon, "sometimes he is an' sometimes he ain't. He'll travel for miles and miles with a shotgun on his shoulder, but he can't walk a hundred yards with an armful of wood."

MR. HAYDEN'S VIEWS

GIVES HIS OPINION OF THE BEST TREATMENT FOR PARALYSIS.

Declares That Dr. Williams' Pink Pills Restored the Use of His Limbs When All Other Remedies Failed.

The premonitory symptoms of paralysis are: trembling of the hands; sudden loss of power in arms or legs, frequently affecting one whole side of the body; staggering; partial or entire inability to use the fingers; distortion of the features, sometimes an uncontrollable quivering of the chin; severe pains; difficulty in speech. Frequently the first warning is a vague feeling of headache, vertigo and muscular weakness.

In a recent interview Mr. W. J. L. Hayden said: "I truly think that Dr. Williams' Pink Pills are a great medicine for they cured me when physicians and other remedies had failed to give me the slightest relief. Too close attention to business brought on an attack of nervousness which finally developed into paralysis. There were times when it was impossible for me to move my hands or to get up from a chair. At other times I had partial control of my limbs, but I was afraid to go far from the house for fear I might suddenly become helpless and have to be carried home."

"While I was in this miserable condition, I was stricken with malarial fever and confined to bed for four months. I had the best physicians, but while they relieved my fever, their treatment did not entirely drive the malaria from my system, and they did not help my paralysis in the least."

"I was well nigh despairing when a friend persuaded me to try Dr. Williams' Pink Pills. When I had finished one box I could see results that encouraged me. My condition kept steadily improving, and when I had taken seven boxes I was cured of paralysis and the malaria was completely driven out of my system. For two years now I have enjoyed the best of health and have attended to business without any interruption."

Mr. Hayden's home is at No. 252 West 39th street, New York. Dr. Williams' Pink Pills have cured many similar cases of paralysis, also locomotor ataxia. They are sold by all druggists. A treatment so simple, inexpensive and successful should be tried by every sufferer from partial paralysis in any of its stages.

GRATEFUL TO CUTICURA

For Instant Relief and Speedy Cure of Raw and Scaly Humour, Itching Day and Night—Suffered Months.

"I wish you would publish this letter so that others suffering as I have may be helped. For months awful sores covered my face and neck, scabs forming, itching terribly day and night, breaking open, and running blood and matter. I had tried many remedies, but was growing worse, when I started with Cuticura. The first application gave me instant relief, and when I had used two cakes of Cuticura Soap and three boxes of Cuticura Ointment, I was completely cured.
