

Signal for End of Services.

It was late in the afternoon when the Scotch minister arrived at the farmhouse. The housewife suggested that perhaps he would like a cup of tea before engaging in "exercises." "Na, na," said he, "I aye tak' my tea better when my work is done. I'll just be gamin' on. Ye can hing the pan on, and leave the door apar, an' I'll draw to a close in the prayer when I hear the haam fizzin'."

Indian Serpent Worship.

Serpent worship still survives in India and a good snake shrine is said to be as much an attraction in a house on the Malabar coast as a garden is in the case of a country home in the United States. Serpents are, however, most unobtrusive and unless one walks noiseless and barefooted in the dark, as Hindoos do, snake bit is an improbable contingency.

On a flat stone in Conway church, Wales, is the following inscription: "Here lyeth the body of Nicholas Hookes of Conway, gent., who was the forty-first child of his father, William Hookes, Esq., by Alice, his wife, and father of twenty-seven children, who died the 29th day of March, 1637."

Dodd's Kidney Pills build up Run-down People. They make healthy Kidneys and that means healthy people. What Mr. and Mrs. J. L. Duffey say:

Nora, Ind., Feb. 6th.—(Special)—That the sure way of building up run-down men and women is to put their kidneys in good working order is shown by the experience of Mr. and Mrs. Joseph L. Duffey of this place. Both were weak and worn and dispirited. They used Dodd's Kidney Pills and to-day both enjoy the best of health.

Mr. Duffey says: "I was very weak and almost past going. I tried everything which people said was good but got no benefit till I tried Dodd's Kidney Pills. They helped me in every way and I am strong and well now."

Mrs. Duffey says: "I was so bad that if anybody would lay down a string I felt I could not step over it. Since taking Dodd's Kidney Pills I can run and jump fences."

Healthy kidneys insure pure blood; Dodd's Kidney Pills insure healthy kidneys.

Women in Our Hospitals

Appalling Increase in the Number of Operations Performed Each Year—How Women May Avoid Them.

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds women and girls, who are either awaiting or recovering from serious operations.

Why should this be the case? Simply because they have neglected themselves. Ovarian and womb troubles are certainly on the increase among the women of this country—they creep upon them unawares, but every one of those patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at left or right of the womb, nervous exhaustion, pain in the small of the back, leucorrhœa, dizziness, flatulency, displacements of the womb or irregularities. All of these symptoms are indications of an unhealthy condition of the ovaries or womb, and if not heeded the penalty has to be paid by a dangerous operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation—but remember that Lydia E. Pinkham's Vegetable Compound has saved thousands of women from surgical operations.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhœa, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, lassitude, excitability, irritability, nervous-

ness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, they should remember there is one tried and true remedy.

The following letters cannot fail to bring hope to despairing women.

Mrs. Fred Seydel, 412 N. 54th Street, West Philadelphia, Pa., writes:

Dear Mrs. Pinkham:—

"I was in a very serious condition when I wrote to you for advice. I had a serious womb and ovarian trouble and I could not carry a child to maturity, and was advised that an operation was my only hope of recovery. I could not bear to think of going to the hospital, so wrote you for advice. I did as you instructed me and took Lydia E. Pinkham's Vegetable Compound; and I am not only a well woman to-day, but have a beautiful baby girl six months old. I advise all sick and suffering women to write you for advice, as you have done so much for me."

Miss Ruby Mushrush, of East Chicago, Ind., writes:

Dear Mrs. Pinkham:—

"I have been a great sufferer with irregular menstruation and ovarian trouble, and about three months ago the doctor, after using the X-Ray on me, said I had an abscess on the ovaries and would have to have an operation. My mother wanted me to try Lydia E. Pinkham's Vegetable Compound as a last resort, and it not only saved me from an operation but made me entirely well."

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Mrs. Pinkham invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.
