cines to cure my kidneys. I do not think that any man ever suffered as I did and lived. The pain in my back was so bad that I could not sleep at night. I could not ride a horse and sometimes was unable even to ride in a car. My condition was critical when I sent for Doan's Kidney Pills. I used three boxes and they cured me. Now I can go anywhere and do as much as anybody. I sleep well and feel no discomfort at all."

SALT RHEUM ON HANDS.

Suffered Agony and Had to Wear Bandages All the Time—Another Cure by Cuticura.

Another cure by Cuticura is told of by Mrs. Caroline Cable, of Waupaca, Wis., in the following grateful letter: "My husband suffered agony salt rheum on his hands, and I had to keep them bandaged all the time. We tried everything we could get, but nothing helped him until he used Cuticura. One set of Cuticura Soap, Ointment, and Pills cured him entirely, and his hands have been as smooth as possible ever since. I do hope this letter will be the means of helping some other sufferer."

Homebuilder Yellow Dent Corn grows like a weed and yields from 157 to 260 bushels and more per acre! It's the biggest yielder on earth!

Humility gives the level head on the lofty height.

The housewife who has not yet become acquainted with the new things of everyday use in the market, and who is reasonably satisfied with the old, we would suggest that a trial of Defiance Cold Water Starch be made at once. Not alone because it is guaranteed by the manufacturers to be superior to any other brand, but because each 10c. package contains 16 ounces, while all the other kinds contain but 12 ounces. It is safe to say that the lady who once uses Defiance Starch will use no other. Quality and quantity must win.

The first newspaper advertisement appeared in 1652.

When Your Grocer Says

he does not have Defiance Starch, you may be sure he is afraid to keep it until his stock of 12-ounce packages are sold. Defiance Starch is not only better than any other Cold Water Starch, but contains 16 ounces to the package and sells for same money as 12-ounce brands.
