

Announcement!

Hall & Greenwald make the following announcement.

That G. E. Hall of said firm has bought the interest of F. H. Greenwald of said firm.

That from this date of the business of selling shoes and HOSIERY as run and conducted by the said firm will be continued as heretofore with the only exception that it will be done in the name of G. E. Hall instead of Hall & Greenwald.

Mr. Greenwald will remain with the business and continue to look after your wants and wishes in the foot wear line. He invites your trade and he will give you the benefit of his experience and his judgment in the fitting of shoes and the quality of stock.

I bespeak for Mr. Greenwald that he is the best qualified person in Falls City to fit any foot properly and to judge the kind and quality of shoe you ought to wear. His judgment is supplied by the large stock of shoes we carry in the many widths from AA to EE and the many sizes and shapes and the grain of quality put out by the best factories in the United States.

I invite your trade and will stand behind and guarantee everything that is done for you so that you get from this house to be the best your money can buy. I want anything returned the very moment it shows signs of not being as good as represented.

Some of the spring stock will be labeled Hall & Greenwald and some of the advertising matter we put out will be in the name of Hall & Greenwald because it was ordered before we made the change but remember will stand for

G. E. HALL
Successor to
Hall & Greenwald

Educational Department

Conducted by County Supt. Crocker

Remember the Southeastern Nebraska Educational Association meets in Beatrice March 29, 30 and 31. The following Richardson county teachers are on the program: R. L. Hoff, W. H. Pillsbury, Cora E. Botts, Carrie E. Boyd and George Crocker. The question for the inter high school debate at Beatrice is: Resolved that United States senators should be elected by direct vote of the people. Humboldt and Falls City are on the affirmative. We hope our schools will plan to have their spring vacations at time of this meeting. We all want old Richardson county to make a good showing at Beatrice.

The summer session of the Nebraska Wesleyan University will begin June 6th and close July 19th. For further particulars write to Prof. W. R. Jackson, University Place, Neb.

LIBRARY NOTICES.
Tickets for borrowing books in all classes for children or for others 20 cts. for one year. Childrens

tickets, 10 cts for one year for juvenile books only. On either of these tickets two books may be borrowed at one time provided that not more than one is fiction. For example, one who holds a 20 ct. ticket may borrow either childrens books or those designed for elder readers. He may borrow at one time two books of non-fiction or one of fiction and of one non-fiction. On the 10 cent ticket two children's books of non-fiction maybe borrowed at once; or one child's of fiction and one child's book of non-fiction. All books are issued for two weeks except books of late fiction which are issued for one week. All books may be renewed for two weeks except books of late fiction which cannot be renewed. Renewals may be made by mail or telephone if it is not convenient to bring the book to the library when it is read. Fines or books overdue 2 cents a day.

Dist. No. 69, Grace Colson, teacher—Our enrollment is now

41. Three mornings of the week we study Principles of Agriculture and expect soon to begin making some experiments. We observed Lincoln's and Washington's birthdays on Fridays. The school was pleased and greatly encouraged by a visit from our Co. Supt.

Our institute will be held August 7 to 12 inclusive.

District No. 1, Mabel Greenwald, teacher—Our school closed March third. The attendance during the year was good. The seventh grade did good work, especially in geography and map drawing. We had special exercises on our last day and several visitors were present.

Last week the Co. Supt. received the following invitation: Mr. and Mrs. James McCarthy requests the honor of your presence at the marriage of their daughter Elizabeth A. to Mr. Edward R. Huff on Monday morning, March 6, 1905 at nine o'clock, Sacred Heart church, Burchard, Neb. Teachers and friends in Richardson county join in extending congratulations.

The reading circle work for our county is based on Sabin's common sense Didactics, The Pathfinder and the Nebraska Teacher. Nearly every principal in the county conducts a "Reading circle class" and has invited teachers in his vicinity to join. Teachers who apply for certificates for next year and expect to have any old grades renewed must be able to pass a satisfactory examination on the reading circle work and we kindly advise teachers who do not have the texts to secure them without delay. It is sad that twenty-eight of our county teachers do not take the Nebraska Teacher. Every teacher who makes any claim to professional spirit at all should take the Nebraska Teacher.

Miss Rosa Novak has resigned her position as seventh grade teacher in the Humboldt schools. She has gone to the home of her parents in Omaha. Miss Novak was one of Richardson county's strongest teachers and a favorite with her pupils. We all regret her departure. Her place is to be taken by Miss Maud Beatty formerly of the fifth room who will be succeeded by Miss Grace Jones of Humboldt.

A Safe Cough Medicine for Children

In buying a cough medicine for children never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it and relief is always to follow. It is especially valuable for colds, croup and whooping cough. For sale at Kerrs Drug Store.
