

FROM MISERY TO HEALTH.

A Prominent Club Woman, of Kansas City, Writes to Thank Doan's Kidney Pills for a Quick Cure

Miss Nellie Davis, of 1216 Michigan Avenue, Kansas City, Mo., society leader and club woman, writes: "I cannot say too much in praise of Doan's Kidney Pills, for they effected a complete cure in a very short time when I was suffering from kidney troubles brought on by a cold. I had severe pains in the back and sick headaches, and felt miserable all over. A few boxes of Doan's Kidney Pills made me a well woman, without an ache or pain, and I feel compelled to recommend this reliable remedy."

Doing Great Work.

Ward, Ark., March 6th.—(Special.)—From all over the West reports come of cures of different forms of Kidney Disease by Dodd's Kidney Pills, and this place is not without evidence of the great work the Great American Kidney Remedy is doing.

Among the cured here is Mr. J. V. Waggoner, a well known citizen, who, in an interview, says: "Dodd's Kidney Pills have done wonders for me. My kidneys and bladder were badly out of order. I used many medicines, but got nothing to cure me till I tried Dodd's Kidney Pills. Two boxes of them fixed me up so that I have been well ever since."

"Tell the poor kidney and bladder diseased people to take Dodd's Kidney Pills and get well."

No case of kidney complaint is too far gone for Dodd's Kidney Pills to cure. They are the only remedy that has ever cured Bright's Disease.

Possible Explanation.

Mrs. Homer—I wonder why poets repeat words unnecessarily?

Homer—I wasn't aware that they did.

Mrs. Homer—Well, there's that poem in which the line "Charge, Chester, charge," occurs: Why is the word "charge" repeated?

Homer—Oh, I guess that fellow Chester must have been a plumber and the poet was throwing bouquets at him.

True to Her Only Love.

"But, Miss Vane is very fickle, isn't she?"

"Oh, not at all."

"Why, she jilted Bob for Jack last month and now I understand she's thrown Jack over. If that's not fickle love—"

"Not a bit of it. She still loves herself alone."

Truthful.

"Poor fellow, are you looking for work?"

"Yes, mum—if I can't find anything else."—Jester.

Merely a Feeler.

The Count—Did her father acquire his money honestly?

Miss Bright—Oh, yes (sarcastically), if he did not I suppose you would not marry her?

The Count—Not at all. If he had acquired it dishonestly he would probably be too clever to give any of it away.

"Oh! Thomas," said Ma Twaddles, excitedly, "I was to-day elected president of our club by a handsome majority."

"You mean," put in Pa Twaddles—"you mean a large majority, do you not, my dear?"

"Yes, of course, but—"

"I thought so."

Cautious.

"I suppose you are looking forward to the time when you capitalists will own the government," said the indignant citizen.

"No," answer Mr. Dustin Stax, "the frequency with which treasury deficits occur inclines me to suspect that a government is not my sort of an investment."

His Work.

"Not much. His wife has made him put in most of his time bringing up the coal."

Many Persons Have Catarrh of Kidneys, Or Catarrh of Bladder and Don't Know It.

President Newhof and War Correspondent Richards Were Promptly Cured By Pe-ru-na.

Mr. C. B. Newhof, 10 Delamare street, Albany, N. Y., President Montefiore Club, writes:

"Since my advanced age I find that I have been frequently troubled with urinary ailments. The bladder seemed irritated, and my physician said that it was catarrh caused by a protracted cold which would be difficult to overcome on account of my advanced years. I took Peruna, hardly daring to believe that I would be helped, but I found to my relief that I soon began to mend. The irritation gradually subsided and the urinary difficulties passed away. I have enjoyed excellent health now for the past seven months. I enjoy my meals, sleep soundly, and am as well as I was twenty years ago. I give all praise to Peruna."—C. B. Newhof.

Suffered From Catarrh of Kidneys, Threatened With Nervous Collapse, Cured by Pe-ru-na.

Mr. F. B. Richards, 609 E. Street, N. W., Washington, D. C., War Correspondent, writes: "Exactly six years ago I was ordered to Cuba as staff correspondent of the New York Sun. I was in charge of a Sun Dispatch boat through the Spanish American war. The effect of the tropical climate and the nervous strain showed plainly on my return to the states. Lassitude, depression to the verge of melancholia, and incessant kidney trouble made me practically an invalid. This undesirable condition continued, despite the best of treatment."

Finally a brother newspaper man, who like myself had served in the war, induced me to give a faithful trial to Peruna. I did so. In a short time the lassitude left me, my kidneys resumed a healthy condition, and a complete cure was effected. I cannot too strongly recommend Peruna to those suffering with kidney trouble. To-day I am able to work as hard as at any time in my life, and the examiner for a leading insurance company pronounced me an "A" risk."

In Poor Health Over Four Years. Pe-ru-na Only Remedy of Real Benefit.

Mr. John Nimmo, 215 Lippincott, St., Toronto, Can., a prominent merchant of that city and also a member of the Masonic order, writes:

"I have been in poor health generally for over four years. When I caught a bad cold last winter it settled in the bladder and kidneys, causing serious trouble. I took two greatly advertised kidney remedies without getting the

desired results. Peruna is the only remedy which was really of any benefit to me. I have not had a trace of kidney trouble nor a cold in my system."

Pe-ru-na Contains No Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years. Such a thing could not be possible if Peruna contained any drugs of a narcotic nature.
