Falls City is known as the best show town of its size in the west. It gets the reputation by having good shows and patronizing them well.—Robinson Index.

In looking over our subscription we learned that fully two thirds of our subscribers are paid a year in advance. The man who pays in advance is worth to the

merchant, three who do not pay except when compelled to do so.

Judge Wilhite and Fred Cleveland have caught up with the water wagon. "No more red lemonade for us" say these gentlemen.

Mrs. J. R. Bateman was down from Stella and spent a few days with friends in this city the latter part of last week.

Judge E. A. Tucker was in the city Friday. He will leave for Arizona in a few days and hold his first term of court at Yuma, Arz., April 3rd. Judge Tucker informs us that the salary attached to his position is \$4500.

Falls City should be a better town than it is. More money should be spent here than is now expended. The horizon of our trade should be widened. The way to accomplish this is for the merchants to grasp the opportunity and advertise. Many persons read the local papers whose trade is lost because they are not sufficiently urged.

Died.

Flora Kitch the twenty-one year old daughter of Phillip Kitch died at Kansas City Wednesday.

The body was brought to Falls City Thursday and was kept in Reavis & Abbeys undertaking rooms until Saturday. The funeral services were held from the German church Saturday afternoon, being attended by many of the former friends and acquaintances of the deceased.

Supervisor Chas. Atwood Married.

Elta Davis and Charles Atwood were married at eight o'clock Wednesday evening at the home of the bride's parents, Mr. and Mrs. Henry Davis. The wedding was very quiet only a few relatives of the bride and groom being present when the ceremony was performed by Rev. John Calvert of the Methodist Church.

Few men are better known in this community than is Chas. Atwood, and few men have more friends than he. He is a member of the firm of Skalak & Atwood hardware dealers, and last fall was elected a member of the county board of supervisors. He is an honest straight-forward man, and as such is regarded by practically everybody who knows him.

His bride, likewise is held in high esteem by the people of Humboldt and vicinity. She is the assistant cashier of the National Bank of Humboldt and commands alike the respect and esteem of all our people. Mr. and Mrs. Atwood are the recipients of sincere and hearty congratulations. They will go to house keeping in this city.—Humboldt Enterprise.

Elks Lodge.

The Elks Lodge will undoubtedly be a success. George Holt and Dr. Fred Kellar have been unceasing in their efforts to obtain a charter, and the matter is now in the hands of the head man back east. The petition for a charter was signed by Ed King of the Atchison lodge, Matt Gehring of Plattsmouth and Frank Crawford of Omaha. The last two named gentlemen are among the most prominent Elks in the state, and their names will greatly enhance the probability of success.

A Long Fast.

Wilson Shock received a Jersey bull by express Friday. He purchased the animal at Oskosh, Wis. When it arrived here it had been so long without food and water that it sank to the ground immediately upon being taken from the crate in which it had been shipped.

In Trouble.

The Richardson County people who made the trip to Boonesteel, S. D., last spring will doubtless remember a young man by the name of Watkins who made out most of the notarial certificates for the crowd. The press dispatches last week contained very sensational accounts of this young fellow in which revolvers, dark bed rooms were leading features. It is said that Watkins is on his way to Auburn his former home.

Rev. Manshardt of the German Evangelical church left Monday for Kansas to attend the annual conference.
