By order of the court dated March 4th, 1905. J. R. WILHITE, County Judge.

A Little Light

Coal is often productive of considerable heat—when it will do the most good. Telling you that our coal is better than other coal does not make it so, but our willingness to warrant its lasting longer and giving more heat than coal for which you pay the same money elsewhere ought to have some weight with the man who does his own thinking.
