DISTRESSING TROUBLES LEFT BY ST. VITUS AND GRIP.

Woman Afflicted for Years by Strange Spells of Numbness and Weakness Recovers Perfect Health.

When she was fourteen years old, Mrs. Ida L. Brown had St. Vitus' dance. She finally got over the most noticeable features of the strange ailment, but was still troubled by very uncomfortable sensations, which she recently described as follows:

"One hand, half of my face, and half of my tongue would get cold and numb. These feelings would come on, last for about ten minutes, and then go away, several times a day. Besides I would have palpitation of the heart, and my strength would get so low that I could hardly breathe. As time went on these spells kept coming oftener and growing worse. The numbness would sometimes extend over half my body."

"How did you get rid of them?"  
"It seemed for a long time as if I never could get rid of them. It was not until about six years ago that I found a remedy that had virtue enough in it to reach my case. That was Dr. Williams' Pink Pills for Pale People, and they have since entirely cured me."

"Did it take long to effect a cure?"  
"No! I hadn't taken the whole of the first box before I saw a great improvement. So I kept on using them, growing better all the time, until I had taken eight boxes and then I was perfectly well, and I have remained in good health ever since with one exception."

"What was that?"  
"Oh! that was when I had the grip. I was in bed, under the doctor's care, for two weeks. When I got up I had dreadful attacks of dizziness. I had to grasp hold of something or I would fall right down. I was just miserable, and when I saw the doctor was not helping me, I began to take Dr. Williams' Pink Pills again. In a short time they cured me of that trouble too, and I have never had any dizzy spells since."

Mrs. Brown lives at No. 1705 DeWitt street, Mattoon, Illinois. Dr. Williams' Pink Pills are without an equal for the rapid and thorough cure of nervous prostration. They expel the poison left in the system by such diseases as grip and are the best of tonics in all cases of weakness. They are sold by every druggist.
