

ALL SICK WOMEN

SHOULD READ MRS. FOX'S LETTER

In All Parts of the United States Lydia E. Pinkham's Vegetable Compound Has Effected Similar Cures.

Many wonderful cures of female ills are continually coming to light which have been brought about by Lydia E. Pinkham's Vegetable Compound, and

Mrs. Fannie D. Fox

through the advice of Mrs. Pinkham, of Lynn, Mass., which is given to sick women absolutely free of charge.

Mrs. Pinkham has for many years made a study of the ills of her sex; she has consulted with and advised thousands of suffering women, who to-day owe not only their health but even life to her helpful advice.

Mrs. Fannie D. Fox, of 7 Chestnut Street, Bradford, Pa., writes:

Dear Mrs. Pinkham:—
"I suffered for a long time with womb trouble, and finally was told by my physician that I had a tumor on the womb. I did not want to submit to an operation, so wrote you for advice. I received your letter and did as you told me, and to-day I am completely cured. My doctor says the tumor has disappeared, and I am once more a well woman. I believe Lydia E. Pinkham's Vegetable Compound is the best medicine in the world for women."

The testimonials which we are constantly publishing from grateful women establish beyond a doubt the power of Lydia E. Pinkham's Vegetable Compound to conquer female diseases.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. She asks nothing in return for her advice. It is absolutely free, and to thousands of women has proved to be more precious than gold.

It Cures Colds, Coughs, Sore Throat, Croup, Influenza, Whooping Cough, Bronchitis and Asthma. A certain cure for Consumption in first stages, and a sure relief in advanced stages. Use it once. MISS FLORENCE KENAH.

Miss Florence E. Kenah, 434 Maria street, Ottawa, Ont., writes:

"A few months ago I caught a severe cold, which settled on my lungs and remained there so persistently that I became alarmed. I took medicine without benefit, until my digestive organs became upset, and my head and back began to ache severely and frequently.

"I was advised to try Peruna, and although I had little faith I felt so sick that I was ready to try anything. It brought me blessed relief at once, and I felt that I had the right medicine at last. Within three weeks I was completely restored and have enjoyed perfect health since.

"I now have the greatest faith in Peruna."

WOMEN SHOULD BEWARE OF CONTRACTING CATARRH.

The cold wind and rain, slush and mud of winter are especially conducive to catarrhal derangements. Few women escape.

Upon the first symptoms of catching cold Peruna should be taken. It fortifies the system against colds and catarrh.

Pe-ru-na for Colds and Catarrh.

The following interesting letter gives one young woman's experience with Peruna.

Miss Rose Gerbing, a popular society woman of Crown Point, Ind., writes:

"Recently I took a long drive in the country, and being too thinly clad I caught a bad cold which settled on my lungs, and which I could not seem to shake off. I had heard a great deal of Peruna for colds and catarrh and I bought a bottle to try. I am pleased that I did, for it brought speedy relief. It only took about two bottles, and I consider this money well spent.

"You have a firm friend in me, and I not only advise its use to my friends,

but have purchased several bottles to give to those without the means to buy, and have noticed without exception that it has brought about a speedy cure wherever it has been used."—Rose Gerbing.

Pe-ru-na Contains No Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years. Such a thing could not be possible if Peruna contained any drugs of a narcotic nature.
